Thank You

From the bottom of my heart, I would like to thank everyone for the hard work and numerous hours it took to put together this fundraiser. Many thanks to the communities (near and far), family, friends, neighbors and many that do not even know me.

Thank you for all your support, hugs, kind words of positivity and donations. Your help means so much to me. Your generosity helps with gas, for what seems like endless trips to the doctor, treatments and other items that insurance doesn't cover. Also, for days missed at work as my job does not offer sick time.

Times are hard for everyone but yet, you have come together to show your support. There are not enough words to express how much your help means to me and my family.

God Bless You All,
Mary "DeeDee" Riddle

AND GOD SAYS . . .

I read in a past issue of the Hauge Lutheran Innermission Federation publication, "Morning Glory" the following account.

A father and his little daughter had just buried the mother of the home. They were brokenhearted when they returned from the funeral, for things at the old homestead seemed so different.

The child was placed in her bed for the night, as usual. The father too retired but could not sleep.

Presently the little girl called to him, "Daddy, it's so dark." He reassured her in comforting tones that there was nothing to fear.

For a while the child was quiet and then said trustingly, "Daddy, you love though it's dark, too, don't you?

The Psalmist writes, "If I say, 'Surely the darkness will hide me and the light become night around me,' even the darkness will not be dark to you (God); the night will shine like the day, for darkness is as light to you. (Ps 139:8-12).

It is never too dark nor the way so hard that God is not there. He promises, "Never will I leave you; never will I forsake you." (Heb 13:5-6).

I don't know what kind of tough situations you are going through right now, but I know God does, I know He cares, and I know that He is with you. Furthermore, I know that God loves you and therefore He is not the cause for your hard times. Quite to the contrary, He wants to help you out of your hard times, that is why He sent His Son, Jesus, to us, to take your pain and mine and give us life instead. My prayer for you is that your hard times will turn you to Jesus, not away from Him, because He really cares for you. The only thing that stands between you and Jesus is your willingness to acknowledge that He is God's Son. Romans 10:9-10 states "That if you confess with your mouth, 'Jesus is Lord,' and believe in your heart that God raised him from the dead, you will be saved. For it is with your heart that you believe and are justified, and it is with your mouth that you confess and are saved." Why not call on Him today and experience His mighty salvation.

For comments, concerns or questions call 715-284-2351.

Mom Is Thriving at Neillsville Retirement Community

We thought it best if Mom stayed in her house, but, even with expensive home care, Mom wasn't thriving. We're so happy she moved to Neillsville Retirement Community. Her life is more complete in a community with lots of friends and activities, exceptional dining, personalized care, and even transportation to appointments and outings. Mom is so happy now. We only wish she'd moved much sooner.

It's Fire Prevention Week
Keep your family safe...

Join NFPA® in celebrating the 100th anniversary of Fire Prevention Week™ (FPW). This year's FPW campaign, "Fire won't wait. Plan your escape™", works to educate everyone about simple but important actions they can take to keep themselves and those around them safe from home fires.

Today's homes burn faster than ever. You may have as little as two minutes (or even less time) to safely escape a home fire from the time the smoke alarm sounds. Your ability to get out of a home during a fire depends on early warning from smoke alarms and advance planning.

NFPA | FIRE PREVENTION WEEK™

OCTOBER 9-15, 2022

"Look. Listen. Learn.
Be aware – fire can happen anywhere."

Through three simple calls-to-action, this year's theme identifies basic but essential ways people can reduce their risk to fire and be prepared in the event of one:

- **Look** for places fire can start
- **Listen** for the sound of the smoke alarm
- **Learn** two ways out of each room

After leaving the home, go to your family's designated meeting spot, established when you set up a home fire escape plan.

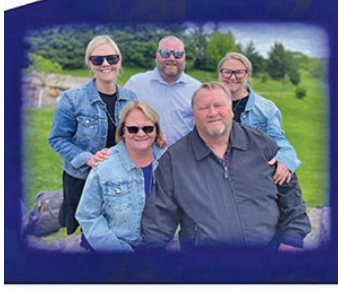
HELP BRING BOBBY HOME



Bobby Tranberg suffered a severe stroke on May 29, 2022, and was airlifted to Gundersen Health System in LaCrosse. Two weeks into his hospitalization, he suffered a second, more traumatic stroke. After a six-week stay in LaCrosse, he was transferred in early July to the Grandview Care Center where he is currently residing and receiving 24-hour care. Bobby is working extremely hard to regain function of his arms, legs, and speech. He is determined to go home. Many of you know Bobby from Tranberg Roofing, along with his sharp wit, infamous sayings, and his generous ways in helping others. We feel it is our turn to help him.
