HOW BAD DOES IT HAVE TO GET?

- Record inflation that destroys the middle class.
- High energy costs that drive up the cost of everything.
- Failing public schools, causing long-term effects to our children and communities.
- Murders increased **82%** and car thefts increased more than **111%** in Wisconsin since Evers/Barnes were elected.
- Evers/Barnes have paroled or pardoned almost **1,500** criminals across Wisconsin, including **300** convicted murderers or attempted murderers, and **47** child rapists, some of whom are extremely dangerous and are on our streets in Jackson County.
- Evers/Barnes turned their back on local law enforcement and worked to defund the Police.
- Allowing open national borders and defunding ICE; which means illegal, unvetted immigrants and drugs are able to flood into our nation.
- Woke policies that degrade our military and have caused a **25%** shortfall in recruitment.
- Failed foreign policies that escalate tensions with Russia, the war in Ukraine, and increase risk of global conflict.

TULSI GABBARD, FORMER DEMOCRATIC CONGRESSWOMAN AND DEMOCRATIC PRESIDENTIAL CANDIDATE, LEAVES THE DEMOCRATIC PARTY

TULSI GABBARD

"I can no longer remain in today's Democratic Party that is now under the complete control of an elitist cabal of warmongers driven by cowardly wokeness, who divide us by racializing every issue & stoke anti-white racism, actively work to undermine our God-given freedoms, are hostile to people of faith & spirituality, demonize the police & protect criminals at the expense of law-abiding Americans, believe in open borders, weaponize the national security state to go after political opponents, and above all, dragging us ever closer to nuclear war. I believe in a government that is of, by, and for the people. Unfortunately, today's Democratic Party does not. Instead, it stands for a government of, by, and for the powerful elite. I'm calling on my fellow common sense independent-minded Democrats to join me in leaving the Democratic Party. If you can no longer stomach the direction that so-called woke Democratic Party ideologues are taking our country, I invite you to join me."

AND GOD SAYS . . .

I recently came across an article entitled *"40 Things That Baby Boomers Do That the Rest of Us Don't Understand."* Since I am a "Baby Boomer' I was interested in what the author had to say.

The article was obviously written by a younger person who conveyed a bit of disdain for the Boomers attraction to the things they value. Some of the things mentioned were just things that used to be important but are no longer needed because of improvements in products like clothes that do not need ironing. Thus, irons are no longer needed.

But other things, I believe, reflect not only changes in preferences or traditions, but are a result of brain washing and indoctrination. Three of these immediately stood out to me and were written in a way that was a bit offensive because they came across as belittling our concerns as being without foundation or were mere archaic ideas.

The three things that I place in this category are (1) "gendered toys", for boys and girls, (2) "conspiracy theorists", and (3) "fossil fuels."

It seems, according to the author, that we Baby Boomers are stuck in the mire of believing there are only two genders, that ideas of any conspiracy is unfounded and silly, and that the use of fossil fuels is destructive to say the least and any thought we may have to the contrary is totally ignorant. After all, this new generation is no longer in the dark ages and the false ideas of the past have been exposed and no sane person will still believe them.

For me, this is not a light matter. The issue behind this is very profound. It is critical. In fact, it is the reason for the change in attitudes toward all three of these things. It is the rejection of truth itself. But here is the rub; if one accepts absolute truth, then one must accept there is an absolute authority who is the truth giver. But that is unacceptable because that leads back to a sovereign God to whom we must answer. So it is summarily rejected.

So it is that we now live in a culture that is very foolish and destructive because it rejects truth, who is God. And God says; The fear of the LORD is the beginning of knowledge: but fools despise wisdom and instruction." (Proverbs 1:7)

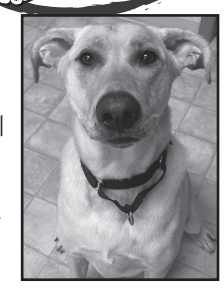
Clark County Humane Society's Pet of the Week

"COOPER"

Cooper is the CCHS Pet of the Week!



Cooper was surrendered to CCHS because his size was more than his owner could handle. He is 2 years old and weighs 88#. He's your typical Labrador, rambunctious, eager to run and full of energy, with a happy personality.Cooper has lived with another dog and 2 cats, but he did like to chase the cats. So, cats in his next home would need to be tolerant and not afraid of him. He whines at the door when he needs to go potty and was trusted loose in the house. He is happy with strangers and new animals. He can be jumpy so he'll need some training with how he greets new people. Cooper would love a home that can give him plenty of exercise. If you have just the right spot for Cooper, please apply to adopt him today! You can submit your adoption application on our website: www.cchs-petshelter.org/applying-to-adopt.

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!!

HELP BRING BOBBY HOME

Bobby Tranberg suffered a severe stroke on May 29, 2022, and was airlifted to Gundersen Health System in LaCrosse. Two weeks into his hospitalization, he suffered a second, more traumatic stroke. After a six-week stay in LaCrosse, he was transferred in early July to the Grandview Care Center where he is currently residing and receiving 24-hour care. Bobby is working extremely hard to regain function of his arms, legs, and speech. He is determined to go home. Many of you know Bobby from Tranberg Roofing, along with his sharp wit, infamous sayings, and his generous ways in helping others. We feel it is our turn to help him.
