AND GOD SAYS . . .

In the May 2024, "Morning Glory" magazine, a publication of Hauge Lutheran Innermission Federation, I came across a very interesting and informative article about the importance of reading the Bible on a regular basis. It said, and I quote:

The Center for Bible Engagement conducted an impressive study exploring the impact of Bible engagement on 400,000 Christians in North America.

When you spend only 1 - 3 times a week reading the Bible, it has next to no impact on you.

As soon as people in the study passed the number three threshold and went into their fourth engagement with the bible each week, they saw a significantly positive difference in how they felt and how well they dealt with hard times.

Feeling lonely dropped 30%
Anger issues dropped 32%
Alcoholism dropped 57%
Relational issues (especially in marriage) dropped 40%
Pornography and other sexual sins dropped 62%
Feeling spiritually stagnant dropped 60%
This explains why so many people are hurting.

Hebrews 4:12 says, "For the word of God is living and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart." (NIV)

So if you are depressed or having some of the above-mentioned issues, try reading the Bible more. In fact, read it daily. Not in a cursory way, but regularly and systematically. Allow God's word to begin to touch your heart and mind. "And as you do, "may the Lord of peace himself give you peace at all times and in every way." 2 Thessalonians 3:16

50TH ANNIVERSARY

EMS WEEK

MAY 19 - 25, 2024

Honoring Our Past. Forging Our Future.

Half a century ago, a presidential proclamation called on the nation to support efforts to improve emergency medical care across the country. It also established the first national EMS Week, a tradition we proudly continue today. Much has changed since 1974, yet there is still much we can learn from those trailblazing clinicians who helped EMS evolve into the sophisticated branch of medicine it is today. Their dedication, commitment and sacrifice inspire us to take bold steps of our own, to continue to seek out ways to better serve our patients and our communities.

This year, we celebrate EMS Week by honoring our past—by taking a pause to recognize the contributions of each generation, the people who dreamed that we could save more lives and have less suffering, and then found ways to make it happen. EMS Week is never just about the past, however. It's also about inspiring the EMS clinicians just starting out and the young people who haven't even discovered EMS yet. It's about learning from the challenges and building on the successes of the last five decades. It's about forging our future—a future in which the next generation has the tools they need to deliver compassionate care and alleviate suffering in communities everywhere.

The History of EMS Week

In 1974, President Gerald Ford authorized EMS Week to celebrate EMS practitioners and the important work they do in our nation's communities. National Emergency Medical Services Week brings together local communities and medical personnel to honor the dedication of those who provide the day-to-day lifesaving services of medicine's frontline. EMS Week is presented by the American College of Emergency Physicians (ACEP) in partnership with the National Associations of Emergency Medical Technicians (NAEMT). Together, NAEMT and ACEP lead annual EMS Week activities. These organizations are working to ensure that the important contributions of EMS practitioners in safeguarding the health, safety and well-being of their communities are fully celebrated and recognized.

Thank you to all emergency medical services personnel!

HOPE HAPPENS WHEN THE HEART HEARS *and* ACTS!

The Disability Association of Jackson County believes that people with disabilities have abilities too!

"It is our goal to do as much as we can to help people with challenges overcome limitations! It is what makes life meaningful! With the support of this amazing community, we can help those abilities blossom and shine so that all their dreams can come true!"

DAJC Volunteer, Barb Lahmayer

It is not our differences that divide many of us. It is our inability to recognize, accept and celebrate those differences. Life challenges happen! We have 3 choices. Let it define you, let it destroy you or let it strengthen you!

Please join us in the mission to strengthen those in need! Your tax-deductible DONATION will help us reach our neighbors, family and friends in need right here in Jackson County.

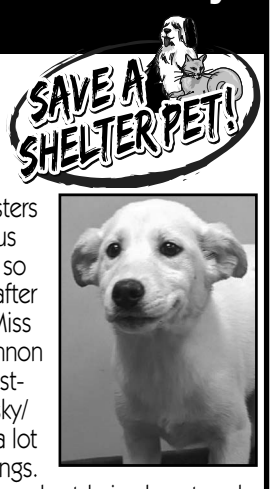
Clark County Humane Society's Pet of the Week

"CAGNEY"

Cagney is the CCHS Pet of the Week!



Cagney came to CCHS with her 3 sisters and 3 brothers when their previous family just couldn't find homes for so many puppies. They are all named after classic detectives: Cagney, Lacey, Miss Marple, Jessica Fletcher, Mannix, Cannon and Monk. These kids are an interesting mix of Shepherd/Shiba Inu/Husky/ Golden Retriever. There's definitely a lot of variety in their coloring and markings. Cagney is all cream in color. She has a short-haired coat and wonderful perky ears. All the puppies in this litter are friendly and social. They like having people come to meet them and are excited for the new adventures that lie ahead. They are about 11 weeks old now with an estimated birthdate of 2/26/24. If you're in the hunt for a great new family member, look no further! Apply to adopt Cagney today!! You can submit your adoption application for Cagney on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, especially dogs and puppies, so please check them all out and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
