AND GOD SAYS . . .

"If you can induce a community to doubt the genuineness and authenticity of the Scriptures; to question the reality and obligation of religion; to hesitate, undecided whether there be any such thing as virtue or vice, whether there be an external state of retribution beyond the grave, or whether there exists any such being as God — you have broken down the barriers of moral virtue and hoisted the floodgates of immorality and crime.

"I need not say that when a people have once done this, they can no longer exist as a tranquil and happy people. Every bond that holds society together would be ruptured; fraud and treachery would take the place of confidence between man and man; the tribunals would be scenes of bribery and injustice; avarice, perjury, ambition and revenge would walk through the land and render it more like the dwelling of savage beasts than the tranquil abode of civilized and Christianitized men." (McGuffey Reader, 1854).

The McGuffey Reader was used universally in education in America until sometime after the turn of the 20th century. Today it would be ruled unconstitutional. Not only that, but because it is politically incorrect, it would be ruled "intolerant" and "offensive"—not because it isn't true, but because it is.

The truth is that only Christianity offers the moral base for our Republic to succeed and flourish. Atheism does not and cannot. It cannot because it is self-centered, claiming oneself as final authority, doing what is right in ones own eyes. Of necessity then, the Atheist becomes very intolerant of other views. Other views become very offensive to the Atheist because other views are not just different than his, but to the Atheist, other views are seen as a personal attack.

This is why God says in Psalm 14:1 and 51:1, "The fool says in his heart, 'There is no God.' They are corrupt, their deeds are vile; there is no one who does good."

So, if this true, and God says it is, if we want leaders of integrity, high moral character, etc., what should we be asking those who are running of office if we want wise leaders elected? But to do so, we need to be "strong and courageous," like Joshua. Can you be counted on to courageously ask candidates about their faith in Jesus?

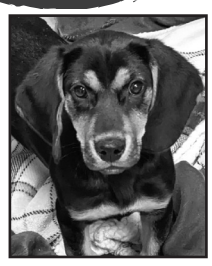
Clark County Humane Society's Pet of the Week

"ORAN"

Oran is the CCHS Pet of the Week!

SAVE A SHELTER PET!



Oran came to CCHS with his siblings when they all needed to find new homes. Oran is a mixed breed, with Mom being a Black and Tan Coonhound and Dad an Australian Cattle Dog. He was born the beginning of January, so is now about 14 weeks old and he weighs 16.1#. Oran is a happy and playful puppy, ready for the next adventure in his life to begin. He is filled with joy and promises to bring lots of smiles and love to his new family. He is ready to learn all the things it takes to grow up to be a really good dog. He's also a super cute guy with a short-haired black and tan coat. And check out his awesome Hound ears! Oran can't wait to join his new forever family. If that's you, please apply to adopt him today! You can submit your adoption application for Oran on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, so please check them all out and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/ volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
