# Is your internet fast enough?

Access to the internet is vital for the economic health and growth of Jackson County. Yet many homes and businesses have no internet or internet service speeds that fall below federal standards. **Jackson County is committed to working with local government and internet service providers to improve internet access & speed for all.**

We are asking residents and businesses to take a speed test and survey to help identify areas of greatest need.  
**Please do this today! It will take about 3-5 minutes.**  
 Go to <https://www.co.jackson.wi.us> - click on the "Broadband" tab

If you do not have access to the internet, paper surveys are available at the Jackson County Clerk's Office or by calling 715-284-0268.

**AND GOD SAYS . . .**

I was wanting to write an upbeat message welcoming in the new year, but my heart wasn't in it. Instead my mind is in a whirlwind from all that is happening in our country and in the world. And the truth is, I do not see things getting any better.

I read of a world renown financial counselor tell of the impending peril of the U. S. economy largely due to the policies of our government leaders. I read of a military doctor who is now under severe government attack because he published the latest devastating findings concerning the Covid vaccine and its connection to the vastly increased sudden death phenomenon and the present administration's unwillingness to listen. I read about the killings, without any real significant reason, in Chicago and elsewhere. And I sense the undercurrent of rage writhing beneath the surface, ready to break out at a moment's notice. And I have to say, I do not think there is much to look forward to in this next year. And you have to admit, I have only named a few or the major issues facing us that are destroying our nation.

A short message that a young man and long time friend of mine sent me helped me see where God is in all of this. He said, and I quote:

So, I woke up this morning with a thought going through my head: "God sends delusion". I just looked up the verse going through my head: They perish because they refused to love the truth and so be saved. For this reason God sends them a powerful delusion so that they will believe the lie. . . 2 Thessalonians 10-12. People delight in wickedness and love sin. They don't believe the truth and reuse to love the truth. So, the wickedness deceives them, God send them a delusion and they believe the lies. . .

Romans 1:22 and 26 tells us that because they forgot God, He gave them over to their shameful desires resulting in the degrading of their bodies in sexual immorality, and to shameful lusts, resulting in homosexuality. And all this because they refuse to love the truth and be saved. It seems to me that there is a point where God stops playing nice and gives us what we deserve. Maybe that is where we are now. What do you think?

**Clark County Humane Society's Pet of the Week**

**"KRINGLE"**  
 Kringle is the CCHS Pet of the Week!

Kringle is a 6-year old neutered male cat. He is a very handsome boy with a short-haired Orange Tabby coat. He came to CCHS when the dynamics in his previous home changed and he just couldn't stay there any more. He's quite a sweet guy and seems to be enjoying his time at CCHS. He has an easy-going personality and loves to be with other cats, too. He did have several friends that came to the Shelter with him. Remember we always have a two-for-one adoption special on cats and kittens, so you could adopt Kringle and a friend for just \$30. We have an amazing selection of dogs, puppies, cats and kittens at CCHS right now. There's sure to be something for everybody, so check them all out! You can submit your adoption application for Kringle (or anybody else!) on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt).

As the year comes to a close, it's always the time to reflect on the past year. 2022 brought lots of animals to CCHS, and we had so many amazing adoptions. Over 3,200 spay/neuter surgeries were performed in our FixaPet Program, along with lots of wellness exams and vaccinations. We are so happy to be helping so many animals! But we couldn't do it without all of the awesome staff and volunteers at CCHS, along with so many members and supporters who help us everyday. By everyone caring and working together, we truly are making a difference for so many animals. We are very grateful for everybody and everything! HAPPY NEW YEAR! We hope 2023 is a great year for everyone!

**I am still me**  
My behaviors may change. I may begin wondering, repeating questions, have verbal and/or physical outbursts. I may resist personal care and begin hoarding. I may have sleep disorders and/or hallucinations or paranoia. Something may be bothering me. I am trying to communicate it to you in a different way now. But I am still me. Try to stay calm and resist arguing or reasoning with me. Do not correct me but try to redirect me. Stay calm, empathize and understand rather than raising your voice and trying to reason with me. I can hear your snarl; it helps me to feel safe and secure. I am still me. Remember that I am unique. Activities and conversations that successfully redirect one person may not work with someone else. My truth is the truth. I am still me. Keep my routines consistent. It will reduce my anxiety and help decrease your stress. I am still me.

Adopt my activities to what I can do now not my choices, provide gentle guidance, break tasks down into single-step directions and remain positive physically and verbally. I may have changed, but I will still be me. Please don't say "no" or "don't do that" I am not a child. Treat me as an adult. Step away for a few minutes. Maybe we both need some time. Give me choices or suggestions instead of open-ended questions. Instead of "Where would you like to go today?" Ask "Do you want to go to the park or the beach today?" I still like most of the same things. I just may not know how to tell you. But I am still me. I may still like hugs, be a part of the conversation and attend gatherings and events. But I may forget names and places. Keep me involved. I am still me. Please advocate for me when I cannot. Exercise, diet and a positive environment can help me. Monitor and report my health changes. I want to still be me. My memory is short-term. Rewarding me or offering incentives for better behavior now and in the future will no longer work. Negotiating with logic or reason will no longer work. You don't mean to frustrate me, most of the time it is beyond my control. I can be frustrating, but I am still me. Everyone has a life story. Please document mine, scrapbooks, videos, hobbies, likes/dislikes and my routines. When I can no longer tell my story, it will be helpful to my family, friends and my care plan. So that I can still be me. From: *Mind & Memory Matters, A Project of Wisconsin RIDD*

Each of us have a chance of interacting with an individual who may be experiencing memory loss, whether that is through a loved one, work, or simply because we are experiencing memory loss by utilizing the reminders in I Am Still Me. Interfaith also partners with the Aging and Disability Resource Center to offer a monthly support group on the first Tuesday of each month from 2 p.m. to 3 p.m. With many resources and partnerships, we are blessed to be part of this wonderful community. If you would like more information on Interfaith or our Time for You Respite Program, please call us at 715-284-7058.

**Welcome Megan**  
Hi! My name is Megan Gerardy and I am excited to become a part of the Jackson County Aging and Disability Services Team as the new Elder Benefit Specialist. I grew up between Wisconsin and Missouri and have settled down outside of Appleton with my husband and our dog, Hank. Outside of my beautiful Wisconsin waters, woods and trails, I am thrilled to become a part of this community alongside my wonderful team and community partners. I have an educational background in occupational therapy, recreation management and assistive technology. I am currently learning the ins and outs of the Elder Benefit position and am looking forward to meeting with the people of Jackson County to reach out with questions or review available resources in our area. Please feel free to reach out with questions or concerns. I can be reached at 715-284-3978 or at [Megan.Gerardy@wi-jackson-wi.us](mailto:Megan.Gerardy@wi-jackson-wi.us). Happy New Year – stay safe and warm!
