Submitted by Philip Woof in a humble unashamed defense of Almighty God Jehovah and his Son Jesus Christ our Lord.

AND GOD SAYS . . .

This is the day that the LORD has made; we will rejoice and be glad in it. (Psalm 118:24)

This day exists because God caused it to exist. The moment God no longer desires days on earth to continue they will cease. We have no influence or voice in the matter.

That means, for one thing, that every man, woman or child lives by faith in God because we all go to bed at night believing tomorrow will come. We believe we will wake up and grow another day older, and hopefully, wiser. So let us rejoice in the new day we have.

But why should we rejoice in this day? Don't you know that a lot of bad things will happen today? We should rejoice because God says "Now is the day of salvation, " (2 Corinthians 6:2). That means it is a day of hope.

The apostle Paul stressed the importance of these words, pleading with the people by imploring them "on Christ's behalf: Be reconciled to God. God made him who had no sin (that's Jesus) to be sin for us (he died on the cross for our sins), so that in him (Jesus) we might become the righteousness of God (that's is, we are covered by Jesus's rightreousness— that means NO sin). . . For he (God) says, 'In the time of my favor (God's favor) I heard you, and in the day of salvation I helped you. ' I tell you, NOW is the time of God's favor, NOW is the day of salvation. " (2 Corinthians 5:20b-6:2, emphasis mine).

Furthermore, Peter tells us that God lets this corrupt world continue, even though it is full of pain, violence, sickness, war, and all kinds of evil, to give us today to repent because he doesn't want any of us to perish (that is, go to hell) but to come to repentance. (2 Peter 3:3-8).

We need to remember that when God made this world it was very good. It was sin, Adams'sin, our sin, that has caused all the problems. God wants to rescue us from our sin and it's consequence so we do not have to continue to suffer its effects in hell for eternity. Rather, he desires to restore us to that which is very good, that is, living with him in perfect peace in his heaven for ever. Now is the day he places this offer on the table. It is ours to receive or not. I hope, if you haven't already, you will this day personally receive this gift of forgiveness, life and love.

BARN OWL

WHAT DOES THAT WORD MEAN?

We hear so many political words thrown about that mean different things to different people. Let's look at these words in a very simple form.

DEMOCRACY – is a form of government where political power belongs to the people or the population. Democracy can include the right to life and liberty, freedom of assembly, personal property, freedom of religion and speech, citizenship, voting rights, and minority rights, but it doesn't have to. The United States is a *representative democracy*. This means people vote for leaders to represent them. We are also governed by a Constitution. This limits power and protects rights.
This system is called a *Constitutional Democracy*.

AUTOCRACY – is a government where one person or a small group rule over everyone else.

DICTATORSHIP - is a type of autocracy where one person holds all the power, which was usually seized by force. All dictatorships are forms of autocracy.

OLIGARCHY – is a type of autocracy run by a *very small* group of very powerful people. These are men of wealth, property or nobility, who control government and society.

FASCISM – is a specific type of autocracy where the government believes the nation or race is more important than individual people. It has a centralized, government run by a dictator.
The government tightly controls the economy and society and suppresses all opposition.

NAZIISM - is a specific form of fascism created by Adolf Hitler and his German Nazi Party. It was based on a belief that the white race, especially the Germanic peoples were superior. Jews, Slavs, Romani people, among others, were considered inferior.

THEOCRACY – is a government run by religious leaders who believe they are guided by God. Laws are based on religion. One example is Iran, an Islamic Republic.

SOCIALISM is an economic system that tries to spread wealth more equally. Major industries are controlled by collective or government ownership. Services like healthcare and education are available to all. Socialist governments tend to reach their goals through democratic changes. Socialist programs exist in many capitalist countries, often there to ease the effect of Capitalism. This includes ours. Examples are Social Security, Veterans benefits and Medicare.

COMMUNISM is a form of Socialism where the power was usually taken by force and is controlled centrally. The government controls all major industries and resources. Private ownership is mostly removed and replaced with shared ownership.

CAPITALISM - is an economic system where a country's trade, industry and resources are controlled by private owners. People have the right to private property, to accumulate wealth, to use wage labor and to make a profit. Capitalism does not need Democracy in order to function. It can operate inside democracies or autocracies.

VILLAGE OF GRANTON

Main Street (County K) Sidewalk Project to be discussed at January 14, 2026 Public Involvement Meeting located at Village of Granton Fire Station

Information for the planned new sidewalk along Main Street/ County K from the Granton C-Store to East 5th Street and along Granton Road to the Dollar General will be presented. Improvements to the County K/Granton Road/ Romadka Avenue intersection under a separate project will also be discussed. This project is located in Sections 1, 2, 11 and 12, T-24-N, R-1-W, Village of Granton, Clark County, and will be discussed at a public involvement meeting on January 14, 2026, the Village of Granton announced today.

The meeting will be held from 5:00 – 6:00 PM at the Village of Granton Fire Station, 21 S Main Street, Granton, WI 54436.

The purpose of the project is to provide a route for pedestrians between businesses on the south side of the Village of Granton and downtown Granton, connecting to sidewalk constructed during the 2024 Main Street construction project. The Village of Granton is proposing a new sidewalk along Main Street/County K, beginning at the Granton Convenience Store and connecting to existing sidewalk at East 5th Street and along Granton Road from the proposed sidewalk on County K to the Dollar General. The proposed sidewalk would include the construction of curb ramps meeting ADA design standards. Right of way impacts will include both permanent and temporary limited easements for driveway reconstruction and grading. County K will remain open during construction of the sidewalk. Construction is scheduled for the 2027 construction season.

The sidewalk project is being administered through the Transportation Alternatives Program (TAP) with involvement from Wisconsin Department of Transportation and Federal Highway Administration.

A separate project is proposed to improve the County K/Granton Road/Romadka Avenue intersection to a 4-way stop to improve vehicle movements, improve safety, and provide pedestrian crossing locations. Construction for this project is currently scheduled for the 2026 construction season.

The January 14, 2026 meeting will begin with a short presentation at 5:00 PM followed by an open house format with a variety of exhibits and maps available for review. Representatives from Jewell Associates Engineers, Inc. will be on hand to answer questions throughout the meeting. Attendees will have the option of making written or verbal comments during the gathering.

Level: Intermediate

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle.

Sudoku answer:

Clark County Humane Society's Pet of the Week

"ROCK"
Rock is the CCHS Pet of the Week!

Rock came to CCHS with his 2 sisters Jingle and Bell towards the very beginning of December from a local farm. This handsome Beagle/Aussie mix is almost 4 months old and weighs roughly 21.4# currently. Rock is such a good guy! He is sweet and happy and full of charm with a great outlook on life. He is super handsome with his short-haired tri-color coat with cute eye spots, soft ears, and warm brown eyes. With any puppy, training and socialization are incredibly important to the success of the pup. Rock is all ready to start his new future with his new forever family, and promises to bring lots of joy and smiles to the New Year. If he's the friend you need, please apply to adopt Rock today!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
