AND GOD SAYS . . .

But mark this: There will be terrible times in the last days. People will be lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, without love, unforgiving, slanderous, without self-control, brutal, not lovers of the good, treacherous, rash, conceited, lovers of pleasure rather than lovers of God— having a form of godliness but denying its power. Have nothing to do with them. (2 Timothy 3:1-5)

"But mark this" implies that we need to take special note of this. The word "mark" is the Greek word, ginosko, which means to know and it is in the imperative, meaning it is an essential or urgent thing. It is not to be ignored or passed over lightly. Maybe the words "There will be terrible times in the last days" should be in bold print to catch our eye as we read this text.

Personally, I believe we are in the last days of the last days. And, according to this text, the outstanding characteristic of these days is that they will be terrible days.

And why will they be terrible? Because people will be absolutely self-centered without consideration for the needs of others. Just listen to the descriptive words used to describe the people of the last days. They will be "lovers of themselves, . . . abusive, . . . ungrateful, . . . unforgiving, . . . brutal, . . . treacherous, . . . lovers of pleasure . . ." Does this sound at least a little bit like today? And remember, this was written over 2,000 years ago!

Now look a bit more closely at these characteristics. What do you see? You see people who are devoid of the presence of the creator God in their lives. It is a culture that is alienated from the one and only true God and Father of our Lord Jesus Christ. This is the reason that the times will be so terrible, because the characteristics of the followers of Christ are exactly opposite of the godless. Therefore the love demonstrated by the godly exposes the emptiness and destructiveness the godless. In fact, God says they are in conflict with each other (Galatians 5:15).

So do not be surprised because of the days in which we live. We have been warned. But more than that, we have been given hope. Jesus is coming again to reward us and to end all this. And He will be coming soon!
