RE-ELECT
CHARLES E. SMITH

TOWN CHAIRMAN
COMMON SENSE
For Town of Alma
VOTE April 1st

Authorized and paid for by Charles E. Smith

L.I.N.O.
The "Party of Lincoln" is proud of that tag.
But they don't deserve it.
They are Lincoln In Name Only.

The Republican Party was formed in 1854 as a party opposed to slavery and the spread of slavery into new states. While their influence grew in the North, the Plantation Aristocracy, hated them and their threat to a slave economy. They hated them enough to secede from the nation when the Republicans won.

Abraham Lincoln was born in poverty. He worked the land and educated himself, becoming a voracious reader. He owned a general store, became a bartender, postmaster and surveyor.
He served in the Illinois Legislature and then the U.S. House of Representatives. He opposed the War with Mexico and campaigned vigorously to end slavery.

When elected President, he did not assemble a cabinet of men who adored him. He built a "team of rivals", competent and intelligent men who would state their mind and challenge Lincoln to make the best decisions. Throughout the war that followed, his wife worried that he worked too hard and would not rest. (He did not play golf on his estate.) He first freed slaves in the rebel states under the **Emancipation Proclamation.** Then Republican legislators fought to pass the **13th Amendment,** ending slavery in the United States in 1865.

Lincoln proclaimed that the future of democracy would be assured and that **"government of the people, by the people, for the people, shall not perish from the earth".**

With the end of the war, he called on the nation to **"care for him who shall have borne the battle, and for his widow and orphan."** That is the quote cited by the Veterans Administration as the foundation of care for the veteran.

Where in todays' GOP can we find threads of the hard work, humility, empathy and compassion, the tireless and principled leadership of Lincoln? Where do we find interactions that seek compromise and cooperation in a crisis? Which leaders came up from the bottom and worked in public service throughout their days? Who will defend veterans? Maybe the Grand Old Party of old. But not anymore.

Where in the GOP now would you find the leaders who would have fought to end slavery and incorporate freed slaves into the life and opportunity of the nation?

No. Not of Lincoln.
Just L.I.N.O.

AND GOD SAYS . . .

If you were to make a contract with God stating your expectations of Him, what would it say? What would be your expectations of Him? And what would you commit to Him in return?

I think at the top of the list might be (1) that God would treat us fairly (2) that He would put a stop to all suffering and pain, (3) that He would require our approval of the various circumstances He allows to impact our lives, and of course (4) there would probably be a statement mandating that He ensure our happiness and success.

In return, (1) we would commit to giving Him our approval, (2) we would not say anything bad about Him, and (3) we might even promise to give money or other things as an offering.

But stop and think about it. In reality, don't we already live as if we have this contract. I mean, we tend to judge God as if we did. In so doing, aren't we really placing ourselves in the position of authority, thereby displacing God as God and claiming ourselves to be God. In other words, we really want to be God and we want God to be our servant.

Come to think of it, isn't that the temptation that Satan put before Eve? He not only challenged God's word but he impugned His nature when he said "You will not surely die . . . For God knows that when you eat of it (the fruit of the tree) your eyes will be opened and *you will be like God . . .* " (Italics mine). And apparently Eve was open to this idea.

We are so quick to say "times have changed." But, you know, that's really not true. We are as eager to embrace the idea of "playing God" in our lives as Eve was. Thus we are still rebelling against Him, allowing sin to dominate us as we try to play God. Then we complain when He doesn't do things our way. We reject His word and His love and then curse Him for the troubles we have in our lives.

Yet in spite of all our rejection and rebellion, God still loves us because He IS love. The Bible says that while we were God's enemies He sent Jesus to die for us to pay the penalty for our sin (see Romans 5:10 & 5:8). What He is asking from us is that we would confess Jesus as our Lord and Savior and do things His way (Romans 10:9-10). Does that seem to much too ask after all He has done for us?

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle.

Stay Healthy Through the Winter

Amy Gunderson, Jackson County Public Health Nutritionist

When you are indoors more during the fall and winter, you may be closer to other people. This can increase your chances of catching viruses that cause colds, the flu or COVID-19. Dry winter air can also weaken natural mucus barriers in the nose, mouth and lungs, where viruses can enter the body.

Get a flu shot

CDC estimates that flu causes millions of illnesses, hundreds of thousands of hospitalizations, and thousands of deaths each year. The best way to protect yourself and your family against flu is by getting vaccinated. When you receive a flu shot, you essentially receive an inactive form of the closest match to the flu virus that year. Your body then forms anti-bodies specifically to fight off this type of virus. That way, when the real thing hits you already have a reserve army: in your immune system that will attack this virus at first contact. Everyone six months of age and older should receive the flu vaccine every year.

Best Practice for Staying Healthy

Healthy Habits prevent germs and infection disease from spreading.

- Wash your hands regularly – keep the bacteria and viruses off your hands and out of your mouth and eyes. Always keep a bottle of hand sanitizer closeby for those instances where you can't get to soap and water.
- Wipe down surfaces around you with a sanitizing cleaner.
- Avoid touching eyes, nose, and mouth.
- Stay hydrated, so you can flush toxins out of your system.
- Get enough sleep to keep your immune system strong
- Stay home when you are sick.

Eat and Drink Wisely

Eat food which is rich in Vitamin C. It will help you keep your immune system strong and healthy during the winter. Try to include more fruit and veggies such as lemons, kiwi-fruit, oranges, spinach and broccoli in every day meals.

Don't forget to drink water. One of the best things you can do for your health is to drink optimal amounts of water every day. Water plays a big part, and it can keep you healthy during the winter.

Get Active

It is really important to be active on a regular basis, even if only 15 minutes a day! Get active around the house. Don't want to miss your favorite show? Try jogging or walking in place or even just stretch while you are watching it. Other ways to be active are cleaning, walking the dog or just going up and down your steps a few times per day. Have fun getting physical in the comfort of your warm home. Please contact your health care provider about what types and amounts of physical activity are right for you before making too many changes.

"CREED"

Creed is the CCHS Pet of the Week!

Creed came to CCHS with his 7 siblings at the beginning of March from a local farm. This handsome Jack Russell Terrier/Red Heeler mix is about 9 weeks old and weighs 12.9 # currently. He is very handsome with his short-haired white and red coat. He has lots of speckles on his legs, soulful eyes and cute little perky ears, too. Creed is a goofy fella with a ton of puppy energy to burn! He is ready for any adventure you want to take on and will only complain a little bit if there's not enough treats! He is looking forward to making lots of great memories with his new family. With any rescue, training and socialization are incredibly important to the success of the puppy. You can submit your adoption application on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, especially puppies, so please check them all out online and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
