TO WHOM IT MAY CONCERN:

For the past 17 years at the Wrightsville Chapel, we have been collecting food, outdoor clothing, and toys to give away in our small annual Christmas toy drive. We are grateful and proud to have been able to help around 100 families each year. In the past 21 years I have helped many families during their time of need with what I could, in all the surrounding counties, not just here. But the need is all year round, not just at Christmas time.

With a building to store and display all that is donated, we would be able to help year-round! I travel hundreds of miles each year and I find myself having to turn down many good items because we do not have the room to store them or to be able to show what we have for those that are in need. A free will store will make it possible to not only be able to help people that are homeless or those that had the misfortune of a house fire, but we would also be able to help others such as Bolton House, the Red Cross, Pine View and Meadowbrook nursing homes, just to name a few.

I understand confidentiality, I encounter many people that prefer anonymity. This is something I have dreamt of for over 10 years! With your donations, you will not only be helping us, but hundreds of people in need! Our purpose in life here at the Chapel is to help those in need and with this building we can help so many more people not only in Jackson County but in the surrounding counties as well. For more information or questions please call me.

Thank you so much for your time and consideration!

AND GOD SAYS . . .

I have heard from many and read many articles that claim this is the most important election in American history. Others even question whether we will even have an honest election. My purpose in this article is not to support or refute these claims, but rather to impress upon you, the reader, the importance of doing your civic duty before God and for the good of the country to vote, and, even more importantly, to vote knowledgeably.

If I am not mistaken, our country had the first constitutional government in history. Secondly, our constitution declares we the people are the rulers of our government. Thirdly, our elected governmental leaders are servants of the people, not lords or masters over them. And fourthly, that means the leaders of our country are to be answerable to we the people. We are the ones that are to hold them accountable. Dr. Michael Kryzanek, of Bridgewater University wrote, "In many respects the opening words of 'We the People' define us as a democracy, a work in progress, but always centered on making Americans the driving force of our nation." (Italics mine). Therefore we are negligent if we do not do our duty and vote which is our way of holding our leaders accountable.

In fact, Romans 13:1 says, "Everyone must submit himself to the governing authorities, for there is no authority except that which God has established." The problem is, we wrongly assume that our governing authorities are our elected officials. In one sense they are, but in a very real way, we the people are the governing authority and they are to carry out the business of the country between elections. They are to serve us. If they do not, it is our duty, our God-given responsibility, to vote them out of office. Therefore, if we do not vote, we not only neglect our civic responsibility, but our God given duty in obedience to his command.

I don't know if you ever thought of it this way or not, but if we rightly understand our constitutional democracy, our act of voting actually becomes an act of worship in obedience to our Lord. And remember, Jesus also said, "If you love me, you will obey what I command" (John 14:15). So, will you obey in this next election?

For comments, concerns or questions call 715-284-2351.

Clark County Humane Society's Pet of the Week

"MURRAY"

Murray is the CCHS Pet of the Week!

Murray came to CCHS when found as a stray in the Abbotsford area. His family didn't come to find him, so now he's looking for a new forever home. Murray is a Yellow Lab and is about 5 years old. He has a short-haired tan and white coat with warm brown eyes. He's a big guy, weighing in at 107.4#. Even though he's pretty much solid muscle, Murray is still a gentle guy. He is a smart boy, and knows 'sit' very well. We've found that he walks well with a harness, so we'd recommend his new family have one too. Though even with a harness, if he really wants to go somewhere, he will! Murray doesn't have a mean bone in his body, he's just a big goofy guy with a big heart. You can submit your adoption application for Murray on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, especially dogs and puppies, so please check them all out and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
