BLACK RIVER FALLS AREA FOUNDATION

The Black River Falls Area Foundation (Foundation) is a non-profit organization dedicated to assisting community organizations and students in Jackson County. Its success depends on people donating their time, talents, and money.

2023 FOUNDATION GRANTS AWARDED

The Foundation was organized in 1986 and at the end of that year had $110,000 in assets. In 1987 the Foundation awarded its first four grants totaling $2,562. Since then, more than 800 Grants have been awarded to 124 diverse, local, non-profit organizations, totaling over $6.7 million dollars! What an astounding community accomplishment!

The Foundation Trustees reviewed nineteen applications and are pleased to announce this year's sixteen recipient organizations:

Alma Center Jr & Sr High School: Purchase of a Form 3+ 3D Printer for STEM classes.

Bolton Refuge House; Jackson County Outreach: For utilities and operational costs of operating the Homstad building in BRF.

Black River Area Child Care Services: To upgrade the boys' and girls' bathrooms.

Children's Service Society of WI: Expense of 1:1 parenting classes which include education materials, books, snacks, and toys for families in supervised visitation rooms and outdoor play areas.

City of BRF; Public Library: Youth Services & Programming to promote summer reading.

City of BRF; Skyline Golf Course: Purchase of an AED (Heart Device) and LifeVac (Anti-Choking Device) for Skyline facilities.

Community Thanksgiving Dinner: Provide Food and Supplies for the annual Community Thanksgiving Dinner.

Jackson County Child Care Network: Kids art exhibit, mobile learning lab projects, and support for a community campaign kick-off gala.

Jackson County Farmers Market: Improve market accessibility and for equipment, entertainment, and event promotion.

Jackson County Interfaith Volunteer Caregivers: Support new Stand Up & Move program and Aging Gracefully Conference, Community Education and Training.

Sleep In Heavenly Peace: Purchase supplies and materials to provide 40 fully furnished twin beds for children in need.

VFW Post 200 Miles-Hagen Post BRF: Upgrade the HVAC System.

*In addition to the twelve grants shown above, the Foundation was able to approve four additional grants to the organizations listed below thanks to a generous donation from **Tim & Kay Finch.***

Alma Center Area Community Fire District: Purchase new battery-operated telescoping ram and its corresponding extension kit for vehicle extractions.

Melrose Volunteer Fire Department: Purchase 5 new Pagers for the Fire Department volunteers.

RiverBend Party Animals: Purchase of Food, Paintballs and needed Supplies for two Jackson County Organizations to attend day camp for two days each. The former 80-acre golf course located on the Black River in North Bend, was converted into a day camp for area youth in 2019. In this age of social media, smartphones, and gaming, RiverBend Party Animals provides a place where area youth have a physical outlet and learn prosocial behaviors, teambuilding, and outdoor fun.

Village of Merrillan: Purchase of new Christmas Lights for the Village.

If you have any questions concerning our grants, how to donate to the cause, or the application process, our Executive Director will be happy to help. You may contact Julie Murray by phone or text at 715-284-3113; by email at ExecutiveDirector@brfareafoundation.org; or by regular mail at P.O. Box 99, Black River Falls, WI 54615.

2022 Grant Recipient: The Women's Sewing Circle received a grant to purchase needed materials to make quilts for those in need in Jackson County. The ladies were able to complete 150 quilts that were distributed by Project Christmas. The Foundation is proud to support such a caring and motived group. KEEP UP THE GOOD WORK!

2022 Grant Recipient: The Foundation was pleased to approve a grant request for 'Start-up costs for a Capital Campaign' to raise funds for an all-inclusive playground at Lunda Park. This group faced the tremendous task of raising $600,000+ to make the vision a reality. Based on their enthusiasm and energy, the Foundation was willing to bet on their success! WAY TO GO and CONGRATULATIONS on a job well done!

AND GOD SAYS . . .

A man called me to comment on some observations he had made concerning the young people he works with. He said that so many of them have such sad faces and seem so angry. Then he asked, "Why don't kids laugh anymore?" Why is everyone angry all the time?"

Well I know that many do laugh and not all are angry, but I think the point he was making was that when the momentary laughter stops and the distractions of life are stilled, then there seems to be a sadness or an emptiness that settles in. And anger seems to be the first response to conflicts and issue that arise.

One answer my caller gave was that these young people are mirror images of us as adults. They reflect who we are. He certainly may have a valid point.

I admit that this is not a scientific study nor is it statistically demonstrated, but if we admit that there may be some validity to this observation, two questions come to my mind. First, if it is true, why is it true? And second, if it is true, what do we do about it?

My answer to the first question is that I believe it to be true because we have rejected Jesus Christ as God's Son. I admit this is a simplistic answer, but God says that we "have been given fullness in Christ" Colossians 2:10. So when we, in our culture, exclude the One who is to be our fullness, the inevitable result will be a sense of emptiness and sadness in our lives. Furthermore God says "Blessed (happy) is the man whose sin the Lord will never count against him" Romans 4:8. Thus the truly happy person is the one who looks to Jesus to forgive him of all his sin.

Now, what do we do about it. In answer to that question I would ask you "How do you eat an elephant?" The answer—one bite at a time. How do we meet the needs of our young people?One young person at a time. Is there a better way than you and I, who know Jesus' fullness in our lives, sharing it with another young person or older person who does not have it through a genuine act of unselfish love. This is what Jesus did for us, did He not? He took the initiative to meet our need by giving Himself for us. As His followers, shouldn't we do the same for others?

Clark County Humane Society's Pet of the Week

"NALA"

Nala is the CCHS Pet of the Week!

Nala is a Mixed Breed girl who is 6 months old. She weighs about 35#. Nala came to CCHS when there were just too many puppies in her previous home. Nala is a happy girl with a playful personality. She walks well on a leash and gets along well with other dogs. She is crate trained and her favorite treat is a Kong stuffed with peanut butter. Nala would do well with a fenced-in yard so she can run and play without worry. She would love to be the newest member of your family! If you'd like that too, please apply to adopt Nala! You can submit your application right on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, so please check them all out and then stop in to visit!

Would you ever think that your old shoes could help CCHS pay for a well water pump? Well they can! Our team is participating in a fundraiser with funds2orgs.com. We are looking for community members to help us by collecting gently worn, used and new shoes. These shoes will help support our program as well as individuals in developing nations like Ghana, Haiti and Cambodia. Shoes can be dropped off at CCHS when we're open or can be left outside the front door at any time. CC Resale (815 Hewett St) in Neillsville is also a collection point and shoes can be left there between 9:30 am - 11:30 am on Saturday's. Thank you for helping!
