BLACK RIVER FALLS AREA FOUNDATION

The Black River Falls Area Foundation (Foundation) is a non-profit organization dedicated to assisting community organizations and students in Jackson County. Its success depends on people donating their time, talents, and money.

2023 COMES TO A CLOSE

In September, the Foundation used its annual FRIENDS luncheon as an opportunity to honor retiring Trustees David Hoffman and Mike Dougherty. A record number of people turned out to acknowledge their accomplishments and dedication to the Foundation and to thank them for their many years of service to our community.

The Foundation is pleased and excited to announce our newest Trustees, Paul Millis, and Marianne Torkelson. We look forward to the experience, insight, and ideas they will bring to our organization. Thank you for your willingness to serve and WELCOME!

Born and raised here, Paul Millis graduated from BRF High School and received an undergraduate degree in business administration from UW Eau Claire and a juris doctorate, cum laude, from UW Madison. He returned to BRF where he worked as an attorney for twenty years while raising his three children, Andrew, Ryan, and Karyn. Paul feels blessed that he was able to watch his children, and now his first grandchild, grow and mature in the community he loves. Over the years Paul has contributed to our community in a variety of ways, by coaching, supporting school events, working with several area charitable organizations, and he is currently actively involved with Jackson County Crime Stoppers.

Marianne Torkelson is also a lifelong BRF resident. She and her husband Troy live in the Disco area not far from Troy's family farm. There, they raised their daughter, Besty, and son, Tommy. Marianne graduated from BRF High School and holds a bachelor's degree in business administration and a Master of Arts in Servant Leadership. Currently she serves as the Chief Development Officer for Co-op Credit Union. Marianne is committed to serving in ways that make our community stronger. She is currently a member of the Servant Led Community, the Jackson County Child Care Network Chair, and is President of the Educational Enrichment Fund. Marianne also served on the Interfaith Caregivers Board of Directors where she served as the President.

Wishing a peaceful, prosperous, and healthy New Year to all! We would also like to acknowledge, ***with sincere appreciation and gratitude,*** the donors who continue to support the Foundation. Your generosity allows us, in turn, to support the organizations that support our community.

The Foundation is pleased to share our highlights with anyone who is interested. If you would like a free copy of our annual report and you are not on our FRIENDS mailing list, please call or email Julie Murray at the Foundation office: ExecutiveDirector@brfareafoundation.org; 715-284-3113.

All of us at Custom Heating & Cooling would like to wish you a Merry Christmas and a Happy New Year.

Thank you for your patronage in 2023 and we look forward to serving you in the new year!

AND GOD SAYS . . .

We all like new things: new cars, new homes, new clothes, new boats or bikes. Advertisers know that we desire new things so we are bombarded with new and improved products from breakfast cereals to automobiles to cleaning products for our homes and cars.

So it is that we celebrate the New Year. New Year parties abound. It is a time of excitement and anticipation. In each of us there is the hope that the coming year will be better than the last.

Businesses publish their annual reports which reveal their vision and goals for the coming year. We project higher sales, better productivity, completion of projects not yet finished as well as a myriad of other proposals.

At the same time we reflect on the past year, what we have accomplished, where we have failed, the good things and the bad things. This rightfully is a time for reflection.

As I reflect on this last year I must admit I personally did not accomplish nearly as much as I had hoped to. I find myself not able to keep going like I used to when I was younger. But I am also very grateful for what God has done and the progress made in my life and ministry.

As far as the year before us, I must admit I am a bit pessimistic. I see things not necessarily getting better, but very possibly worse. I do not see an end to terrorism, hurricanes, volcanoes, war, violence, moral decline, abortion, homosexuality, poverty, child-abuse, homelessness, economic failures, etc. At the very least however, we must continue to take a stand declaring the Bible as the word of God and applying its wisdom and authority to each of these issues. Most importantly, we will continue to boast in Jesus Christ as the one and only Savior of mankind. There is salvation in no other. **Jesus said, "I am the way, the truth and the life, no one comes to the Father but by Me." This is the message that cannot be improved upon. This year could be your best ever by turning your life over to Jesus as your Savior and Lord.**

To our customers and friends all around town, thank you for making us a part of your year. Your kindness and encouragement remind us how fortunate we are to have our home and business here. Being a part of this community is something we value beyond measure, and we cherish the memories we have created with all of you.
As we put the finishing touches on another year and celebrate the holiday season, we'd also like to share our best wishes for a healthy, happy and prosperous new year with everyone we know. Merry Christmas to you and yours!

Clark County Humane Society's Pet of the Week

"MORTY"

Morty is the CCHS Pet of the Week!

Morty is 12 weeks old and is a mix of Jack Russell Terrier and Border Collie. He has a short-haired coat of reddish brown and white and weighs 12#. Morty came to CCHS when his family had too many puppies they couldn't find homes for. He came with 2 sisters and 4 brothers, all named after Seinfeld characters. Morty is an all-around great puppy, and he's pretty cute too. He's happy and healthy and ready for lots of new adventures with his new forever family. He's hoping to start building lots of special new memories this Christmas, and he promises to be a good boy for Santa! If you'd like to bring Morty or one of his siblings Home for the Holidays, please apply to adopt him today. You can submit your adoption application for Morty on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, so please check them all out and then stop in to visit!

This is the time of the year that we start to reflect on the year gone by. 2023 was certainly a busy year! Lots of animals came through CCHS' doors and even more came through our FixaPet Program. We are so very grateful to have been able to help so many in need. We are also so very appreciative of the support and help we've received. From our staff and volunteers to our members and supporters, we could never do it without you. We wish you all the very best this Holiday Season and hope that you share special days filled with many blessings! Merry Christmas!
