Black River MEMORIAL HOSPITAL

BRMH Selects Smith and Schweitzer to Serve in an Executive Capacity

Black River Memorial Hospital (BRMH) is excited to announce the advancement of two highly qualified and deeply committed employees – Julia Smith and Nicole Schweitzer. Julia Smith, who has been with BRMH since 2020, has been selected as the new Executive Director of Patient Care Services. Nicole Schweitzer, a member of the BRMH team for 26 years, will also be serving the organization in a new capacity as the Executive Director of Provider and Clinical Services.

Julia Smith holds a Master's degree in Nursing, with a specialization in Nurse Education, from Chamberlain College of Nursing. She began her BRMH journey during the challenging times of the pandemic, joining as the Infection Prevention & Quality Registered Nurse (RN). Her leadership during this critical period demonstrated her ability to navigate complex situations and prioritize the health of the community. Her outstanding performance led to her subsequent roles as the Interim Director of Nursing Services in conjunction with the Director of Quality and Risk Management. With a solid foundation in critical care as an ICU nurse and experience as a college instructor, hospital float RN, and end-of-life care RN, Julia brings a diverse range of expertise into her new position. In Smith's new role as Executive Director of Patient Care Services, she will be responsible for overseeing the strategic direction of patient care and ensuring the delivery of compassionate and high-quality services.

Nicole Schweitzer holds a Bachelor's degree in Occupational Therapy as well as an Executive Master of Business Administration, both obtained from UW-Madison. In 2022, she also earned a Master of Arts in Servant Leadership from Viterbo University. Schweitzer embarked on her journey at BRMH as an occupational therapy clinician within the rehabilitation department. In this role, she had the privilege of caring for numerous patients and their families during their recovery from illnesses and injuries. Schweitzer then advanced into the position of Rehabilitation Director, where she served for 20 years. During this tenure, she assumed various leadership responsibilities at both local and state levels, fostering valuable experiences, extensive networks, and strong professional relationships – all crucial components as she assists BRMH to fulfill its mission and vision of advancing a healthier community by providing excellent care, close to home. In November of 2022, Schweitzer's remarkable performance led to her promotion to the Senior Director of Ancillary and Support Services. Recognizing her proven track record of success, commitment to leadership, and unwavering dedication to BRMH and its patients, she was further promoted to her current role as the Executive Director of Provider and Clinical Services. In her new role, Schweitzer will oversee the operations of the Black River Healthcare Clinic, diagnostic imaging, laboratory, nutrition services, and pharmacy while also managing provider relations.

"Julia and Nicole's promotions are a testament to their exceptional skills, extensive experience, and steadfast commitment to the health and well-being of our community," expressed Carl Selvick, President and CEO of BRMH. "I look forward to witnessing the achievements they will accomplish and the difference they will make in their new capacities."

AND GOD SAYS . . .

There are five types of fools in the Old Testament, each depicted by a different Hebrew word. While each of these fools have their own individual characteristics, they each share something in common, they do not fear God but are wise in their own eyes. That makes them vulnerable to every kind of deception and falsehood.

What makes matters even worse, is that these fools are not very receptive to truth. Rather they stubbornly and adamantly resist any truth that seems to expose their false way of thinking. They are totally self-centered, becoming totally tolerant of anyone who would express a different view than their own.

Another thing about each of these fools is that every one of them is morally corrupt in some way. This is the natural result of rejecting God as real and therefore as an authority in their lives. Each person becomes his own authority and drifts with the latest trends and ideas being promoted. As this cycle continues it spirals further and further away from God and His truth resulting in greater chaos, violence and corruption.

But this is not merely a passive decline in our civilization because the most dangerous type of fool is the fool transliterated "nabal." He is one who is not only content in his own corrupt behavior but seeks, not only to draw others into his corruptness, but even force them to accept his lifestyle and values to the point of adopting them as their own.

As I think on these things I cannot help but think about the hallmarks of the "Cancel Culture" that we are being pummeled with today. Those who promote this culture know that their ideas are as unstable as the wind. If the truth is allowed to be taught, it will expose their lies and their whole culture will fall of its own inconsistencies and weight of its own lies. That is why they are not open to any kind of interaction or discussions.

But keep in mind in all this. This is not about reason, for they are truly unreasonable in every sense of the word. No, this about spiritual deception—the deception that God is not real and that we will not have to ultimately answer to Him. You see, God says, "The fear of the LORD is the beginning of knowledge: but fools despise wisdom and instruction" (Proverbs 1:7).

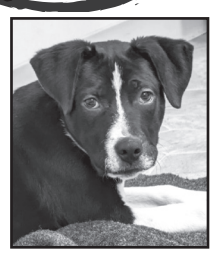
Clark County Humane Society's Pet of the Week

"HOLSTEIN"
Holstein is the CCHS Pet of the Week!

SAVE A SHELTER PET!



Holstein is a Mixed Breed boy who is 5 months old and weighs about 24#. Holstein came to CCHS from another overcrowded Shelter in Texas. He has a short-haired black and white coat with cute perky ears and soulful brown eyes. We can't say for sure what Holstein is a mix of, but we can say that he is cute and sweet and happy. He's a typical puppy with lots of energy who would enjoy going on long walks exploring his new neighborhood. He'll be happy to play with toys and then cuddle with you too! He's got a happy outlook on life and is ready to share his joy and love with his new family. You can submit your adoption application right on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, so please check them all out and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
