We also wish to thank all the Businesses who supported this effort!!!

Thank You

Thank you to my family and friends who celebrated my 80th Birthday with me. Also those who sent me cards. I am truly blessed.

~~ Lois Ferries ~~

Thank You

First, we would like to thank the Neillsville Fire Department, Clark County Sheriff's, Neillsville Municipal Ambulance, Life Link, and Black River Falls Paramedics for the amazing job you did on June 7, 2022. We know it couldn't have been easy as most of you volunteers knew Tom. But your professional and caring showed through and we are grateful for everything each and everyone of you did that night.

We would like to extend our sincere gratitude to our farming community that stepped up and helped our family get through this horrible tragedy. Our family was truly humbled by the farmers that showed up to help with the feeding, milking and taking care of the animals for a whole week till we could send to be sold.

We would also like to thank Curley Creek Lawn Care for just showing up and taking care of my lawn care needs, and the ones who brought food, sent cards, or just stopped by to see how we were doing. It was obvious how much people cared about Tom, I have never in my life seen a funeral that big. Thanks to the farmers that organized the Tractor parade, I am sure Tom was smiling down on that. We live in an amazing community and the outpouring support has been helpful and wonderful. Thank you so much from the bottom of our broken hearts. Tom will forever be missed but will stay in our hearts and memories.

The Family of Tom Kren

AND GOD SAYS . . .

Abortion is in the news everyday now that the final Supreme Court decision has been made. Most interesting is the behavior and the rhetoric of those who support abortion. They are totally out- of-control. It seems that they just need to vent their pent-up hostilities against those they disagree with. They yell louder, bully more, and use force and violence to make their point, as if these tactics deal with the real issues.

They accuse those who believe in right-to-life of being against women–like this is purely a women's issue and it is only about her body. They refuse to even consider, that of greater importance is, the issue of the right of the baby to grow up and live in freedom with their own rights protected. They seem to be unable or unwilling to even recognize the fact that by all indications, the baby suffers greatly during the abortion with great physical pain as well as terrible mental and emotional trauma. This was evident when one watched the abortion of a baby in the film "Silent Scream."

So how does one deal with an issue when truth, reason and right is not on your side. You yell louder and with slight of hand rhetoric, you charge those who disagree with you as taking away your rights and causing you great harm. Thus appealing to the emotions. The results are the bombings of Pregnancy Care Centers across the country, declarations that we are returning to the lawlessness of the wild west, and more.

But what really was the ruling of the Supreme Court? According to my understanding, they actually ruled primarily on the basis of the 14th Amendment which says, No State shall "deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws."

Their conclusion was that abortion is not in the domain of the Federal government. It is a state's right issue, which makes the ruling of Roe v. Wade null and void. Now individual states need to, within the authority granted to them or the limitations placed on them, establish their own laws. That means that if a baby is a person, and according to science and the Bible, it is, then abortion must be ruled illegal and immoral. This is the crux of the matter.

Clark County Humane Society's Pet of the Week

"Cattail"

Cattail is the CCHS Pet of the Week!

This little cutie is about 13 weeks old, has a short-haired black coat, and is a neutered male. He is a sweet guy with an affectionate and playful personality. He is enjoying life in Kitty City where he loves to hang out on the couch and play with his friends. Cattail is pretty excited to remind everybody that Kitten Season has arrived at CCHS! There is a wonderful collection of kittens available for adoption. So if Cattail isn't quite your match, be sure to check out all the other kitties and kittens at the Shelter. There will certainly be one that you can't help falling in love with! You can see pictures of them and submit your adoption application on our website: www.cchs-petshelter.org/applying-to-adopt.

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join ourCCHS volunteer family!
