AND GOD SAYS . . .

He who finds a wife finds what is good and receives favor from the Lord (Proverbs 18:22 NIV) Marriage should be honored by all, and the marriage bed kept pure, for God will judge the adulterer and all the sexually immoral. (Hebrews 13:4 NIV)

February 7-14 is National Marriage Week. Time Magazine reported that "the decline of marriage is our most ignored national crisis..." This is validated by the fact that our new President did not even address this issue in his inaugural address.

But, you say, this issue is a cultural issue and a spiritual one, not a national security issue. Well, listen to what J. D. Unwins reports from his study of 87 cultures. He found that the most powerful component of cultures that flourished "was pre-marital chastity coupled with absolute monogamy .... [T] he data revealed that the single most important correlation with the flourishing of a culture was whether pre-marital chastity was required or not... If total sexual freedom was embraced by a culture, that culture collapsed within three generations to the lowest state of flourishing. (Italics mine, J.D.Unwins, Sex And Culture, 1934)

Our "free love" culture in the U. S. began in the late 60's or early 70's, or approximately three generations ago. So what is the effect on our nation. It is notable that as marriage rates have dropped and immorality has escalated, poverty has increased up to 82%, boys that are raised without fathers at home are twice as likely to end up in prison, length of life expectancy drops, health problems increase, and adults are less happy, and our free love culture has resulted in a focus on self-needs and wants instead of the needs of others. These are only some of the findings of recent studies done in America in relation to marriage. So I ask you, is not the moral failure of our country a major crisis? And if this is so, why is it not being fully addressed?

God certainly addressed it repeatedly, clearly, and forcefully. He says you will have his favor if you honor him in marriage and receive his judgment if you violate marriage. Maybe we should begin to take his word seriously and put it into practice. What do you think?

Clark County Humane Society's Pet of the Week

"SPUNK"
Spunk is the CCHS Pet of the Week!

Spunk came to CCHS as a stray from the Neillsville area earlier in January. This little Terrier mix is about 6 months old and weighs 14.2 # currently. Spunk is such a sweet guy; it's hard to believe no one came to claim him! Spunk has a short-haired coat that is all black with a touch of white on his chest, and don't miss his great big ears! He is quite the goofball with lots of love and snuggles to give. Spunk is ready to find his furever family and live the rest of his life by their side. With any rescue, especially younger pups, training and socialization are incredibly important to the success of the pup. Spunk can't wait to start making great memories with his new family. If that's you, please apply to adopt Spunk today! You can submit your adoption application on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, so please check them all out and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
