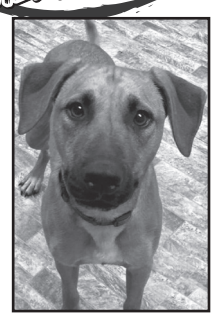
Clark County Humane Society's Pet of the Week

"Buck"

Buck is the CCHS Pet of the Week!



Buck is one very happy boy! He came to CCHS from another overcrowded shelter in Texas. He's about three years old and weighs 56#. He is a mixed breed with a short-haired coat that's brown with a black muzzle. He is very handsome with soulful eyes and cute ears, too. Best of all, he's just plain happy. He's so excited when somebody stops by his kennel. He immediately will grab his toy or kong as he wants to share it with you for some playtime. If you'd like to add smiles and happiness to every day, Buck is just the guy to do that! Please apply to adopt him today! You can submit your adoption application on our website: www.cchs-petshelter.org/applying-to-adopt.

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!

Nothing was sacrificed when re-building this unique property with water frontage on the Black River. Located just outside of the city limits, the location is convenient and perfect as a residential home or used for a business. In 2015, a major renovation and addition were completed and the property is like a brand new home. Inside you'll find hardwood floors, a spacious kitchen with quartz counters and a large pantry, views overlooking the Black River, a large master suite with laundry and an abundance of storage, a spacious entryway and everything done with quality in mind. Outside you'll find an expansive concrete patio with beautiful custom railing, rnature trees and fruit trees, a fenced garden area, three outbuildings and a blacktop driveway. The large 30 by 60 shop is heated, has a full kitchen, a half bath, 14 foot ceilings and was double sheeted for insulation purposes...don't worry, the hoist stays! The second shed is 40 by 60 and has a gravel base. The barn has a new concrete floor and upstairs you'll find a spacious loft for storage. This home has three bedrooms and an office that could be used as a fourth bedroom. The lower level has a full bath and the additional space could be finished off for more square footage.
