AND GOD SAYS . . .
The fear of the Lord is the beginning of wisdom, and knowledge of the Holy One is understanding. Proverbs 9:10

Starting in chapter one of the book of Proverbs, one is bombarded with the word 'wisdom.' In fact, chapter 2-4 focuses on wisdom, declaring the moral benefits of wisdom in chapter 2, several other benefits of wisdom in chapter 3, and the importance of gaining wisdom in chapter 3. Yet, in spite of this emphasis on wisdom, it becomes readily apparent to even the casual observer that there is very little wisdom in our world today according to God's understanding of wisdom.

Let me begin with a disclaimer, wisdom is not the same as intelligence or knowledge. We certainly have our share of smart people with a lot of knowledge in the world today. That is not what I am writing about.

Consider the verse quoted above which says, "The fear of the Lord is the beginning of wisdom." The "fear of the Lord" is neither a matter of being intelligent or a result of having a lot of knowledge.

In a culture and world that is increasingly hostile to the God and Father of our Lord Jesus Christ, it seems evident that their hostilities are not wise and lead only to more hostilities. Furthermore these hostilities certainly do not reflect the "fear of the Lord" and therefore not wise.

Also, God says in James 3:17-18, "[W]isdom that comes from heaven is first of all pure; then peace-loving, considerate, submissive, full of mercy and good fruit, impartial and sincere. Peacemakers who sow in peace raise a harvest of righteousness." These characteristics are not primarily developed as a result of a higher intelligence or more learning. They come through a personal relationship with God based on a correct understanding of the God of the Bible. As I read the characteristics of wisdom in James, I thought of many activist, political, educational or social organizations who actually exhibit the opposite characteristics but couldn't think of many who really show wisdom from above.

Now think with me, if the characteristics of godly wisdom are from above, that is from God, then where does the wisdom of groups that have the opposite characteristics come from?

For comments, concerns or questions call 715-284-2351.

...a huge THANK YOU 17 YEARS!
Thank you so much to everyone who made the 17th annual Paying It Forward Rita Tranberg Memorial a HUGE success again this year. We want to thank everyone who made this happen. So many people volunteered their precious time and unique talents. Again this year, the donations from both businesses and individuals were beyond generous. We could not do this without each of you.
You're truly Paying It Forward! Every recipient thanks YOU!
God's blessings for all of the support,
The Rita Tranberg Memorial Family

Clark County Humane Society's Pet of the Week

"MILLER"

Miller is the CCHS Pet of the Week!

SAVE A SHELTER PET!

Miller came to CCHS from a local farm with his 7 siblings. He is an 8-week old Border Collie mix. All of the pups in this litter were named after beers, which somehow seems rather appropriate for Wisconsinites! Miller is just the cutest little guy with a fluffy black and white coat. He's a fairly little guy, weighing just 7 #. But don't let his small size fool you! Miller has a huge heart full of love to share with his new family. Miller and his family are all happy pups with sunny personalities. Each one will be a great addition to their new forever family. You can submit your adoption application for Miller on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, especially puppies and kittens, so please check them all out and then stop in to visit!

Save the Date! The 2nd Annual Community, Crafts and Causes event is coming up on Saturday, October 5th, from 9:00 AM - 3:00 PM at the Clark County Fairgrounds. There will be lots of crafters and local artisans to check out, and donations of non-perishable food items will be collected for local food pantries. Food concessions will be available from American Legion Post 73 - Neillsville. Best of all, there will be a huge raffle with amazing prizes, with all ticket sales benefitting CCHS! We're really looking forward to it, and hope you are too!

Have you worked with industrial equipment with responsibility for setup and adjustments to produce products?
Do you possess mechanical aptitude and enjoy being challenged while working with equipment that you are responsible for?
Have you worked on multiple different pieces of equipment where you did the setup and operation of that equipment?

If so, we want to talk to you!

We have openings on 2nd and 3rd shifts for Pleater Operator/Setup in our Filter Assembly Departments and also for Injection Molding Technician in our Plastics department. We will provide training and support for both positions to candidates with prior machine setup and operation experience.

Learn more about Atmus and search current openings!
