AND GOD SAYS . . .

Rescue those being led away to death; hold back those staggering toward slaughter. If you say, "But we knew nothing about this," does not he who weighs the heart perceive it? Does not he who guards your life know it? Will he not repay each person according to what he has done? Proverbs 24:11-12.

As you read the above scripture, What issue immediately comes to you mind? Is it the same issue that came to my mind when I read it a couple of evenings ago? Abortion?

Do you notice the spin that the abortion rights advocates always use to justify abortion? They talk only about "women's rights." They say "It's our body!"

It reminds me to the discussion between a chicken and a pig. The chicken said to the pig, "Let's have bacon and eggs this morning for breakfast." The pig quickly answered, "That's fine for you. For you, it's only a donation, but for me, it's a sacrifice."

When an abortion takes place, someone dies, a little baby, one who cannot speak for himself. Even well known comedian, Bill Maher, on his show one night admitted that abortion was murder. And then he said, "I'm okay with that."

You see where we have come to? We are now so rights orientated that we now accept murder if it interferes with our rights to unlimited pleasure.

It is not only those who are directly involved with abortion that will be held accountable, but we, who know what is happening and don't do anything about it, will also be held accountable. Nor will we be able to claim ignorance saying, "We didn't know what was really happening." All of us know, because it has become such a public issue.

Make no mistake about it, We will have to give an answer for what we have or have not done, good or bad. No one is exempt. The only question is, will we be rewarded for doing right, or will we judged for sitting on the sidelines.

For comments, concerns or questions call 715-284-2351.

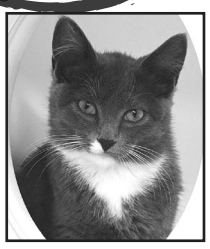
Clark County Humane Society's Pet of the Week

"SNAP"

Snap is the CCHS Pet of the Week!



Snap came to CCHS with her two brothers Crackle and Pop when they were found in the Chili area. Snap is about 3 1/2 months old and is a spayed female. She is so pretty with a short-haired gray and white coat. While her brothers have already been adopted, Snap was still pretty scared so she spent a few weeks getting TLC in foster care. She is still a little shy, so she will do best in a calm home where she won't be overwhelmed by noise and activity. She does get along well with other kitties as she is staying in Kitty City at the Shelter. If you have just the right spot for a pretty girl like Snap, please apply to adopt her today. You can submit your adoption application for Snap on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, especially puppies and kittens, so please check them all out and then stop in to visit!

Save the Date! The 2nd Annual Community, Crafts and Causes event is coming up on Saturday, October 5th, from 9:00 AM - 3:00 PM at the Clark County Fairgrounds. There will be lots of crafters and local artisans to check out, and donations of non-perishable food items will be collected for local food pantries. Food concessions will be available from American Legion Post 73 - Neillsville. Best of all, there will be a huge raffle with amazing prizes, with all ticket sales benefitting CCHS! We're really looking forward to it, and hope you are too!
