AND GOD SAYS . . .

"If we do not defend our own flesh and blood, then we are no different than those who worship Molech [and other pagan gods]."

Molech is a false deity mentioned numerous times in Scripture, representing Satan the devil to whom people would actually bring their babies to be scorched to death in a fire: (See Jeremiah 32:35) . . .

(WND, Megapastor [Jack Hibbs] warns: 'Our kids are being literally sacrificed.' By Joe Kovaks, September 4, 2023).

How do we think we, in America, will escape the judgment of God when, since the early 1970's, we have sacrificed over 60 million babies, killing them in the name of "woman's rights, etc.," when Israel was judged because they sacrificed only thousands of babies to their gods? Should we not tremble before the Almighty God in repentance? If we do not, He will not be able to bless us because our sins will come before Him preventing Him for doing do. (See Hosea 6:11). Rather we will have no hope but to face His awful wrath.

In fact, according to Jonathan Cahn, a Jewish writer, God's judgment may have already begun. He believes that the COVID-19 may very well be a judgment for the sin of killing our babies. In his book, "The Josiah manifesto, he makes a strong argument for this. He shows that 1.3 million babies were aborted, killed, in the three years between the time that New York legalized abortion in 1970 in their state and the Supreme Court legalized it for the nation in 1973, 1.3 million babies where aborted in our nation. Then using the best studies on the death rates resulting from COVID-19, 1.3 million deaths were recorded, and most of these, over 50% were in New York, where it all started and where over 50% of the abortions took place.

Should we not be taking our stand and speaking out against this terrible atrocity? If we do not, I fear that there is no hope for the future of America because I fear God and believe His word is trustworthy and true. I hope you do to.

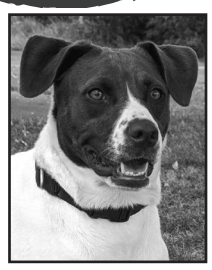
Clark County Humane Society's Pet of the Week

"DOTTY"

Dotty is the CCHS Pet of the Week!

SAVE A SHELTER PET!



Dotty came to CCHS from another overcrowded Shelter. She is 2 1/2 years old and is a mixed breed. She has a short-haired coat that's white with brown, and she's a very pretty girl! Dotty is also a super sweet girl. She is very affectionate and has great manners. She enjoys getting lots of attention. She weighs 59#, so she would also benefit from some nice long walks. Dotty gets along well with other dogs and enjoys going out to play with her friends. The only tricky thing is she can't be around cats, as she likes to chase them. She has a good start on her housebreaking and would love to meet her new forever family. If that's you, apply for Dotty today! You can submit your adoption application for Dotty right on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, so please check them all out and then stop in to visit!

Please join us for the 1st Annual Clark County Community, Crafts & Causes event! It will be on Saturday, September 30th, from 9:00 AM - 5:00 PM at the Clark County Fairgrounds in Neillsville. There will be lots of craft vendors, basket raffles and yummy food. CCHS will be there with information about the Shelter and FixaPet. Stop by for some great shopping and support wonderful causes, too! More information is available on our website.
