AND GOD SAYS . . .

God's Word reveals to us that a one-world government will be established and the one who will rule, called the Antichrist, will deceive many to take his mark upon their hand or forehead. And if he can't deceive them, he will then force them to take it by preventing them from buying or selling without it. It is without question that we are very close to this prophecy coming true. In fact, I wonder if the first installments leading up to this actual event are already a present reality. Allow me to quote God's Word so that you can see how this prophecy relates to our current events.

He also forced everyone, small and great, rich and poor, free and slave, to receive a mark on his right hand or on his forehead, so that no one could buy or sell unless he had the mark, which is the name of the beast or the number of his name. . . he had deluded those who had received the mark of the beast and worshiped his image. . . And I saw the souls of those who had been beheaded because . . . [t]hey had not...received his mark on their foreheads or their hands. Revelation 13:16-17, 19:20, 20:4.

As I thought on these passages of Scripture, I could not help but think of the Covid vaccine. Now, before we go any further, let me assure you that I do not think the Covid vaccine is the mark of the beast. Not at all. But I can't help but think it may be a gambit designed to prepare for the coming of the mark.

The prophecy tells us that the people were forced (i.e. mandated), deluded (i.e. told it was a vaccine and that it is safe, but it is neither—just check out the VAARS report), cannot do business without it (the unvaccinated were banned from travel, jobs, places of business, etc.), and threatened with death (loss of jobs, careers, etc.). All of these were illegally used in the Covid scare.

But the thing that concerns me the most was failure of the Church to do their due diligence in seeking the truth and informing the people so that they would not be deceived and manipulated. And if this is the case, what will happen when the mark of the beast becomes a reality? Will we be just as easily deceived? And will the Church be faithful to the truth?

Clark County Humane Society's Pet of the Week

"LEO"

Leo is the CCHS Pet of the Week!

SAVE A SHELTER PET!

Leo came to CCHS from another overcrowded Shelter in Texas, and he seems pretty happy to be in Wisconsin. Leo is just a little over a year old and he weighs 37#. Leo is a sweet guy who likes to hang out with people. He's usually got a smile on his face! Leo walks well on a leash and will be happy to accompany you on lots of adventures. He does sometimes like to jump on people, so some basic training on his manners would do him some good, plus it's a good chance to bond with your new friend. If you'd like to share your heart and home with Leo, please apply to adopt him today. You can submit your adoption application on our website: www.cchs-petshelter.org/applying-to-adopt.

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
