# AND GOD SAYS . . .

**[M]y word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it. (Isaiah 55:11)**

The biggest war going on today is the war against God's word, which really started in the beginning in Genesis 2:1 when the serpent asked Eve, "Did God really say, 'You must not eat from any tree in the garden'?"

Eve's response, "We may eat fruit from the trees in the garden, but God did say, 'You must not eat fruit from the tree that is in the middle of the garden, and you must not touch it, or you will die.'"

Notice what Eve added to God's word when she answered the serpent. She added, "you must not touch it." We can paraphrase Eve's answer this way, "God won't let us do anything with that tree. We can't even touch it." Can't you just hear your son or daughter responding the same way to you when they exclaim angrily, "You never let us do anything!," after you tell them to be home at a certain time or they aren't to go someplace with their friends?"

But do you see the deeper issue here? It is not just that Eve added to God's command, but in essence, she impugned the very nature of God. She implied that God was a killjoy, that he just wanted to limit their experiences and fun.

The serpent then validates her when he says, "God knows that when you eat of it your eyes will be opened, and you will be like God." In other words, God wants to prevent you from experiencing life the fullest. He wants to keep you under his authority.

So it was that Satan subtly and successfully tempted Eve. Eve then gives the fruit to Adam and Adam eats of it and sin is introduced to and saturates the whole world for all time. But remember, this is exactly what God said would happen.

But God also said that he would send another, from the seed of the woman, to save us from our death penalty. Furthermore, God said if we would believe in the one he sent, namely Jesus Christ, we would pass from death unto life. And all this was accomplished, just like God said. The only thing left for us to do is to believe him. It's now our choice and what an awesome choice it is.

## Clark County Humane Society's Pet of the Week

### "FLUORITE"

**Fluorite is the CCHS Pet of the Week!**

Fluorite is an Australian Cattle Dog, or Blue Heeler mix. He came to CCHS with his siblings from a local farm where there were too many puppies to care for. Fluorite is 4 months old and weighs about 20 #. He has a short-haired coat that's mostly white with lots and lots of gray and black speckles. He also has some brown and black on his face and ears. He's really pretty cute! Fluorite is pretty much a typical puppy with lots of energy and lots of love to share. He enjoys his playtime but also likes a good nap on a soft blanket. Being a Heeler mix, he'll definitely need some training and activities to keep him busy and out of trouble! Fluorite could be a wonderful addition to your family, so please apply to adopt him today! You can submit your adoption application for Fluorite on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, so please check them all out and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
