BARN OWL

ONE BIG BEAUTIFUL BILL AND THE COUNTY BUDGET
Part 2 – FOOD AND NUTRITION

As we saw in part 1 of this article, every budget passed by the US Congress affects our lives in some way.
The ONE BIG BEAUTIFUL BILL ACT (OBBBA) is different.

OBBBA has over $4.5 trillion in tax cuts. Most of these tax breaks go to the very wealthy. To help pay for tax cuts, the bill pulls more than $1 trillion from programs that pay for health care, nutrition and student loans. Federal dollars make up 15% of Wisconsin's budget. Cuts made by state leaders will be passed on to counties and towns. Local leaders have to decide what services to reduce.

Over the next ten years, spending in rural areas will drop by $155 Billion. What will that mean for you? With less services for poor and working people, counties may face more pressure to help meet local needs.

FOOD AND NUTRITION:

SNAP (Food Share – used to be Food Stamps) will be lost to 700,000 people in Wisconsin. The state will lose $314 million that helps provide food. Cuts happen partly by making it harder to stay on SNAP. Some families will run out of food before the month is over. Food banks may see longer lines. More people will need county emergency food programs and crisis assistance.

Emily Small, contributor for the DOOR COUNTY KNOCK, describes what will happen in Door county when SNAP requirements change. Door County Health and Human Services expects to lose about $190,000/year for administration of their food program. The county could lose two employees. At the same time, the county will have more work to do because work requirements to receive food will change. The age for work requirements goes up from 54 to 64 years. Veterans are no longer exempt from requirements, nor are foster youth ages 18 – 24 and households with no children under 13. (This happens while there are less jobs that are hiring.)
In the past, cuts like these have caused more than one third of adults without dependents to lose their food benefits.
More people will lose benefits simply because it gets harder to keep up with the paper work needed to qualify.

Most changes occur after this year's midterm elections. Does your county board, town council or village board understand what will change when OBBBA begins?

AND GOD SAYS . . .

This Easter I have once again been struck by the responses of the two thieves who were crucified with Jesus. It is important to note that the two thieves were experiencing the same circumstances; both were experiencing the same environment, both were suffering, both witnessed the treatment of Jesus, both witnessed his responses, both were thieves, and both were being publicly crucified for their own crimes. In spite of this, each one responded differently. "One of the criminals who hung there hurled insults at Jesus: 'Aren't you the Christ? Save yourself and us!' But the other criminal rebuked him. "Don't you fear God," he said, "since you are under the same sentence? We are punished justly, for we are getting what our deeds deserve. But this man has done nothing wrong.

"Then he said,' Jesus remember me when you come into your kingdom.'"Jesus answered him, 'I tell you the truth, today you will be with me in paradise.' (Luke 23:39-43).

One of the reasons we have such problems dealing with the needs of people today is that we keep excusing behavior on the basis of environment causes rather than holding people accountable for their actions. More and more judges change sentences on the basis of extenuating circumstances, psychologists blame mental diseases or trauma, and sociologists blame society. When they do this, they fail to properly hold the guilty party responsible.

Everybody has hard times. Everybody gets raw deals. Everybody at some time is treated unjustly. That is a fact of life. The issue is how we respond to these circumstances. Similarly, God dealt with this same issue when He told Cain, "Sin desires to have you, but you must master [overcome] it." (Genesis 4:7). Do our circumstances master us or do we master them?

If we are to be right with God, experience peace, and have the assurance of eternal life, we must do as the second thief did — humble ourselves before Jesus, confess our own guilt while admitting our need of Jesus. Only then can we be with him in paradise.

VOTE APRIL 7TH

ED CHAMBERLAIN

for County Board District 19

I am very humbled and thankful to serve the citizens of Millston, Brockway, and the Town, Of Manchester as their District 19 Supervisor.

I have served on the County Board since April of 2018.

I accept the challenges of serving on the various committees, Executive, Finance and Personnel, Highway, Zoning, Forestry and Parks and the Airport Commission.

Our Committees work together with the Leadership Staff of each Department, to solve issues in the present and plan into the future. In the upcoming months we will be looking at upgrading our Communication Towers and overall operations for Law Enforcement, Highway, Fire and EMS departments. It is very important to ensure the safety and services to our citizens of Jackson County.

Some folks made the statements that County taxes have gone up over the last five years, In 2020 the tax on a 100,000 home was 632.08, by 2025 it had dropped to 521.93, in 2026 the tax will be 513.53, and 2027 preliminary tax with the new Highway shop complex is 515.59. A very minimal impact on the taxpayers of this County, that is why the Project and Bonding Resolution passed 100 percent by the full County Board.

I am very aware of spending, I scrutinize the vouchers of each committee that I serve on. We all pay taxes and we hold to our budgets in each department.

I care about our County and our Township in which I have served as Chairman for Manchester several years. I was raised with a work ethic on a 280 acre Dairy, Hog, and Chicken farm in the Town of Manchester that my Great Grandfather purchased in 1897, My wife Kathy and I built our home on the northeast corner in 1977 and plan to finish out our retirement years here as well. I believe to be a successful person you must have, Integrity, Dependability, Flexibility, Loyalty, Self Motivated, Confidence, a Growth mind set, a Positive Attitude, and Pray every day.

In closing , I will share some quotes from I believe Mark Twain.

1. Life's tragedy is that we get old to soon and wise to late.
2. Common sense is something everyone needs, few have and none think they lack.
3. Any fool can criticize, condemn, and complain and most fools do.
4. Beauty and folly are old companions.

I am proud of the fact that I am a voice for my friends and neighbors of District 19, and I pledge to do my very best as your Supervisor.

Sincerely, Ed Chamberlain

GRANTON SCHOOL DISTRICT'S APRIL 7 BALLOT REFERENDUM

A **life changing** decision is being asked of the taxpayer's in the GASD, in a referendum added to the April 7th ballot. As do many rural schools across the USA, we face the fact that enrollment continues to dwindle along with reduction in school state aid. Factor into that we will start the 2026 school year with a budget deficit of $820,000 + (a result of negligent error). Our current mill rate (tax rate expressed as dollars per $1,000 of assessed value) is 4.44. The proposed referendum is asking to increase revenue by **$1.25 MILLION per year for FIVE years,** with a new **mill rate of 10.05,** an **increase of 5.61.** Note, the increase is higher than our current rate. Do the math and you can evaluate how drastically your property taxes will be increased. Once your property taxes more than double, after 5 years, then what?

Comparisons have been made on surrounding school systems. Facts show that we have more expenditures per student than any of our surrounding schools, with GASD having the lowest achievement options available. GASD had the option of grade sharing with area schools but our school board voted no.

We can agree that we want what's best for the education and future of our children. They are our future. But emotions and the past are not what fuels our schools. We all live in the present. Facts matter, finances matter, affordability matters. The ideological thinking that throwing more money at upgrading programs with continued dwindling enrollment, is not sustainable. We live in a community of no prominent businesses to help cushion this massive increase in revenue. The entire burden of this major property tax increase will fall to the surrounding landowners.

The truth is consolidation of our rural school districts in Wisconsin and across the Country is happening. Shared programs save money. More options for students become available. We all have memories of what was. We've all watched century old family farms lost, businesses collapse, jobs lost. Reality is hard. Bad budgeting? Too much dependence on "free money" from the government? Many things factor into decline. This is the present, the future, do we continue to throw money, that many of us simply cannot afford, at an inevitable decline or do we face reality. We are asking GASD voters to please get to the polls on April 7th. Many of us have to make a choice, stay and afford our homes and property or be pushed into having to look elsewhere to live. There is also a write-in vote for 2 new school board members. We are looking for board members with fiscal responsibility who will make decisions based on sound factual, financial information. We are asking for a NO vote on the referendum. Thank you for your attention to this matter.

Signed, Julie Reineck,
a 32 year resident of the Granton Area School District

Clark County Humane Society's Pet of the Week

"BAILEY"
Bailey is the CCHS Pet of the Week!

Bailey came to CCHS as an owner surrender when a sudden life change occurred and the owner was left with too many dogs. This handsome mixed breed was originally adopted out at just a few months old and now is standing tall at 1 year and 8 months old, weighing roughly 46.4# currently. He's a handsome guy with a short-haired brown and white coat with floppy ears. Bailey is a bit of a goofball! He's been known to get along well with dogs, kids, and cats, enticing them into friendship with his silly shenanigans! While we aren't entirely certain what his exact breed makeup is, we can tell you he is 100% Town Jester! With any rescue, training and socialization are incredibly important to the success of the pup. Apply to adopt Bailey today! You can submit your adoption application on our website: www.cchs-petshelter.org/applying-to-adopt.

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
