PRESERVE MEDICAID

As our Congressional representatives debate measures towards a budget reconciliation, it is imperative the Representative Van Orden votes to preserve Medicaid in its entirety to protect a lifeline for the health of the women of Wisconsin. As more than two-thirds of Wisconsin women are of child-bearing age, and as 40 percent of births are funded by Medicaid, maintenance of this important resource is without doubt, a pro-life issue. For Republicans to deny the benefits of Medicaid and impose serious funding cuts is to deny the women of Wisconsin an important resource enabling them to seek opportunities that will improve their chances for gainful employment and contributions to our overall societal welfare.

On behalf of the state of Wisconsin, including the citizens represented by Mr. Van Orden, eighteen physicians and students representing the Wisconsin Section of the American College of Obstetricians and Gynecologists went to Washington, DC on March 11, 2025 to educate our representatives and senators about the need to protect Medicaid as a critical lifeline for women's health. It is hoped that the citizens of Congressional District 3 will urge Representative Van Orden to overcome the irrational Republican zeal in dismantling those parts of our government which have been assigned to ensure the public good.

YOUR SOCIAL SECURITY

Social Security is the most successful anti-poverty program ever put in place in this nation – or in any nation.

Before it was built, you worked until you died, or – when you could no longer work – you died.

Social Security was created after the Great Depression. It helped workers and their bosses save part of their pay for when they retired or if something happened to them. It has helped older people stop working without worrying about being homeless or starving. It also helped their children, who are working hard to support their own families.

Every month, Social Security sends checks to millions of people who earned them. **Yes, sometimes there are mistakes, and some criminals have tried to cheat the system. But, overall, it works.**

Since Social Security started, some people who work in business and finance have wanted to take the money. They have called it "Socialism." They have tried to privatize it. They've tried to change it into a system where people have to use the stock market, like a 401k. They want a "Social Security Advantage" plan - like Medicare Advantage - where they can skim fees, make people wait for payments or deny payments.

Pay attention to what is happening.
Some of our leaders, like Senators and Representatives Fitzgerald, Vos, Van Orden and Johnson, say Social Security won't change and no one will touch it. But secretly, they are making it worse.

As you read this, they are crippling the program.
They are cutting jobs and making the system slower and more difficult to use. Then, without "touching" it, they'll say it doesn't work and try to change it into something that makes money for others, but not for you.

There isn't anyone who is 200 years old and collecting Social Security. But there are criminals who want to take the money for themselves. They will say anything to make you believe Social Security isn't good anymore.

Not paid by any organization. Thank you for your attention. Submit comments or questions to 57boardman@gmail.com.

AND GOD SAYS . . .

Do you know what is the number one reason for car accidents in the United States? I looked it up, it is distracted driving. It makes sense to me.

I thought about that in relation to our life goals and personal fulfillment. I have to wonder if the same is not true. Could it be that the greatest cause of our failures in life come from being distracted so that we lose focus on what is really important in our life. We get so caught up in secondary issues to the point that we lose sight of what is really import in life.

For example, "Make America Great Again" may be a worthy goal. But, nevertheless, if it is out of balance in our life, it becomes a distraction. The same goes for right-to life, gender issues, racism, economic issues, immigration, and even, believe it or not, marriage and family. All of these and more are very worthy causes. In fact, these are absolutely necessary issues to deal with in order to have a successful society. But even if you accomplished all of these so that you had perfect peace and contentment in you life, is that really what your life is all about? The Bible says it this way, "What good is it for a man to gain the whole world, yet forfeit his soul?" (Mark 8:36).

You see, in the Bible all of these issues are secondary to the singular issue of man's soul. Therefore, anything that diverts man's attention from the issue of the eternal destiny of his soul is a distraction.

The problem is that mankind, in his sinful state, does not like to think about his soul. He is much more comfortable hiding behind all these distractions. But the truth is, someday, sooner or later we will all be forced to deal with the destiny of our soul. Our life will come to an end and then the judgment of our soul. Jonathan Edwards, in his famous sermon, "Sinners in the Hands of an Angry God," based his sermon on Deuteronomy 32:35, "Their foot shall slide in due time." He then elaborated saying, we are always in danger of falling, we don't need help from others to fall, and the only reason we haven't fallen yet is that it is not God's time.

2 Peter 3:9 tells us the only reason God continues to allow you to live, is because "He is patient with you, not wanting [you] to perish." Now, the only question for you is, Will you use this time to repent and secure eternal life for your soul?

Pursuant to Wis. Stats. S. 70.45, the assessment roll for the Year 2025 assessment will be open for examination starting on the **Tuesday, April 22, 2025 at 6:00-8:00 pm**, N3907 Marg Ave, Neillsville WI 54456. Instructional material will be provided at the open book to persons who wish to object to valuations under Wis. Stats s. 70.47.

NOTICE OF BOARD OF REVIEW MEETING

Notice is hereby given that the **BOARD OF REVIEW** for the Town of Pine Valley, Clark County, Wisconsin, shall hold its first meeting on **May 5th, 2025**, from **6:30-8:30 pm**, at the town's hall, N3907 Marg Ave. Neillsville, WI 54456.

Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the Board of Review:

1. After the first meeting of the Board of Review and before the Board of Review's final adjournment, no person who is scheduled to appear before the Board of Review may contact or provide information to a member of the Board of Review about the person's objection, except at a session of the Board of Review. Open book shall occur no less than 7 days prior to the Board of Review.
2. The Board of Review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the Board of Review's first scheduled meeting, the objector provides to the Board of Review Clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the Board of Review shall waive that requirement during the first 2 hours of the Board of Review's first scheduled meeting, and the Board of Review may waive that requirement up to the end of the 5th day of the session, or up to the end of the final day of the session if the session is less than 5 days, with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the Board of Review during the first 2 hours of the first scheduled meeting.
3. Objections to the amount or valuation of property shall first be made in writing and filed with the Board of Review Clerk within the first 2 hours of the Board of Review's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the Board of Review may waive that requirement up to the end of the 5th day of the session, or up to the end of the final day of the session if the session is less than 5 days. The Board of Review may require objections to the amount or valuation of property to be submitted on forms approved by the Wisconsin Department of Revenue, and the Board of Review shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the Board of Review in support of the objections and made full disclosure before the Board of Review, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the Board.
4. When appearing before the Board of Review, the objecting person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information used to arrive at that estimate.
5. No person may appear before the Board of Review, testify to the Board of Review by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless no later than 7 days before the first meeting of the Board of Review, the person supplies the assessor with all the information about income and expenses that the assessor requests, as specified in the Assessor's Manual under Wis. Stats. § 73.03(2a). The Town of Pine Valley has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their officer or by order of a court. The information that is provided in this paragraph, unless a court determines that it is inaccurate, is not subject to the right of inspection and copying under Wis. Stat. §19.35(1).
6. The Board of Review shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, physician assistant, or advanced practice nurse prescriber certified under Wis. Stat. § 441.16(2) that confirms their illness or disability. No other persons may testify by telephone unless the Board of Review, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.
7. No person may appear before the Board of Review, testify to the Board of Review by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the Board of Review, or at least 48 hours before the objection is heard if the objection is allowed under Wis. Stat. § 70.47(3)(a), that person provides notice to the Board of Review Clerk as to whether the person will ask for the removal of a member of the Board of Review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.
8. No person shall be allowed to appear before the Board of Review, to testify to the board by telephone or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to enter onto property to conduct an exterior view of the real or personal property being assessed.
