**AND GOD SAYS . . .**

**For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. John 3:16.**

This is arguably the most well known verse in the Bible. It stresses the good news of God's love for the us, who have sinned against Him. Furthermore it reveals to us that God's love is active. It does not just sit around and write letters telling us how much He loves us. But God's love for us stirs Him to action—the most drastic action He can take—to demonstrate His love for us by sending His Son to die for us. Romans 5:8, says it this way.

But God demonstrates his own love for us in this: While we were still sinners, Christ died for us. Romans 5:8

We have all inherited Adam's sin nature. That is why we sin. That is why a baby displays his temper when he doesn't get what he wants when he wants it and one of the first words a child learns is "mine," revealing his selfish nature. That is also why the Scriptures tell us to "Train up a child in the way he should go. . ." (Proverbs 22:6). You see, we don't need to train our children to be angry or selfish because they are that way by nature. Rather we need to train them the right way to behave.

It is because we have inherited our sin nature that everyone of us needs help. God told Adam that in the day he ate of the forbidden fruit, he would surely die thus establishing death as the penalty for sin. Therefore we all will die, sooner or later.

But God wants us to live in fellowship with Him. The problem was, He couldn't justly save us without our death penalty being paid. And furthermore, only someone who was without sin could pay the penalty for someone else's sin. That is why Jesus was the only one who could save us, because only He was without sin. He did not inherit a sin nature like we do, because He was born of the Holy Spirit and not of Joseph. So He was not under the penalty of death.

As a result He now, by His grace, offers us forgiveness for our sin, and, as He does, He makes us into a new creation (2 Corinthians 5:17) so that we can live eternally with Him in His kingdom, called heaven. All this He offers to us if we will only put our faith in Jesus by admitting that He is right and we are wrong. If you haven't already done this, why not do so now?

S. 70.45, the assessment roll for the Year 2023 assessment will be open for examination starting on the **Wednesday, April 19, 2024 at 4:30-6:30 pm**, N3907 Marg Ave, Neillsville WI 54456. Instructional material will be provided at the open book to persons who wish to object to valuations under Wis. Stats s. 70.47.

**NOTICE OF BOARD OF REVIEW MEETING**  
Notice is hereby given that the **BOARD OF REVIEW** for the Town of Pine Valley, Clark County, Wisconsin, shall hold its first meeting on **May 10th, 2023, from 6-8 pm**, at the town's hall, N3907 Marg Ave. Neillsville, WI 54456.

Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the board:

- No person will be allowed to appear before the board of review, to testify to the board by telephone, or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to view the property.
  - After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact or provide information to a member of the board about the person's objection, except at a session of the board.
  - The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first 2 hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first 2 hours of the first scheduled meeting.
  - Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first 2 hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the 5th day of the session or up to the end of the final day of the session if the session is less than 5 days. The board may require objections to the amount or valuation of property to be submitted on forms approved by the Department of Revenue, and the board shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.
  - When appearing before the board of review, the objecting person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.
  - No person may appear before the board of review, testify to the board by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless the person supplies the assessor with all the information about income and expenses, as specified in the assessor's manual under s. 73.03 (2a), Wis. stats., that the assessor requests. The Town of Pine Valley has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their office or by order of a court.\* The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under s. 19.35 (1), Wis. stats.
  - The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. No other persons may testify by telephone unless the Board, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.
  - No person may appear before the board of review, testify to the board by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the board, or at least 48 hours before the objection is heard if the objection is allowed under s.70.47 (3) (a), Wis. stats., that person provides to the clerk of the board of review notice as to whether the person will ask for the removal of a member of the board of review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.
- Notice is hereby given this 8th day of April, 2023.

## Clark County Humane Society's Pet of the Week

### "CONGO"

Congo is the CCHS Pet of the Week!

SAVE A SHELTER PET!

Congo came to CCHS from a local farm where there were just too many puppies. Congo is a Border Collie mix and is a neutered male. He is 12 weeks old and weighs about 20#. He has a soft and fluffy black and white coat with cute little speckles on his nose. Congo is a typical puppy with lots of love and happiness to share with his new family. He's a smart boy, ready to learn lots of new things. Remember, it will be very important to start training your new puppy right away. If you'd like to add a smile to your life every day, please apply to adopt Congo. We also have a wonderful selection of dogs, puppies, cats and kittens available for adoption at CCHS now. Stop in and meet them all!

You can submit your adoption application for Congo (or any of the pets at CCHS) on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt).

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: <https://www.cchs-petshelter.org/volunteer> or email April at [cchso Outreach1@gmail.com](mailto:cchso Outreach1@gmail.com).
