AND GOD SAYS . . .

"Father, forgive them; for they know not what they do" (Luke 22:34).

These were some of the last words Jesus spoke from the cross just before he died. They are very revealing and significant words.

Consider that Jesus had gone through the worst week of his life. He had been illegally and unjustly tried in several courts, sleep deprived, beaten, scourged, mocked, thorns penetrated his head and nails penetrated his hands and feet. Then he hung on the cross for three hours. Those who testified against him lied, giving false testimony against him while denying that he was the Son of God— the only true charge made about him. Yet, in the face of all this, Jesus speaks to his Father from the cross, saying, "Forgive them. "What a contrast between Jesus and his accusers!

Who was behind this attack? I believe it was Satan, himself. Satan is the father of lies (Luke 8:44). In fact, it was Satan, himself, who entered into Judas influencing him to betray Jesus, setting in motion the events leading to his death (Luke 22:3).

How amply this scene illustrates Satan's devices— lies, betrayal, and the rejection of Jesus as the Son of God in contrast with Jesus' methods of truth, faithfulness and love while acknowledging that he is representing his Father as God's only Son.

Scripture instructs us to test every spirit, to see if they are from God. (1 John 4:1). In obedience to this scriptural instruction, we need to apply these tests to the issues confronting us today to see if they are from God. When we do, what do we find?

We should not be surprised to find lies, betrayal and the denial of Christ among those who reject the Scriptures, for they are merely following their father, Satan. But for us who profess the name of Jesus as our Lord and Savior, it is not enough that we speak the truth in love, that we demonstrate faithfulness in our relationships, or that we openly confess our faith in Christ. But we must also go the additional mile and be ready to forgive those who despitefully use us, demonstrating, probably more than any other act we could do, the grace of God in our lives. This is really what Easter is all about, is it not?

As Christians, we need to discern the spirits while saying "Father, forgive them, for they know not what they do" to those who wrongly accuse and reject us.

BARN OWL

PRIORITY SPENDING?

Maslow's Hierarchy of Needs is an idea in psychology. (A hierarchy is like a pyramid or a ladder.) It explains the parts of life people have to have in place in order to reach their greatest abilities. The first is **basic survival needs:** Shelter, Food, Water and Warmth. The next step is **Safety** for yourself and your family. People need to feel safe from danger and need **health** and **stability** so they can find the things they need. The third step is **connection**. People need **friends, family, a partner, a community and people they can trust.** If people don't reach one step on this ladder, they can't get to the next one. If they can't get to the third step, it is harder to reach higher levels like learning new skills, faith and personal growth.

A wealthy country in a bountiful land could help its citizens meet the needs for basic survival and stability. But for most of its history, the United States has not done this well.

The Pentagon budget is one example. The military helps keep us safe. It also spends money in casual and destructive ways. There is a common practice in government. Agencies will spend all the money they have been given even if it's for things they don't need. They do this to be sure they get the same amount the next year. A recent report showed that the **Pentagon had to spend out $93 billion** at the end of September, just to use up all of its budget. Some of that money was spent on luxury goods including:

- $7.4 million for Lobster tails
- $15.1 million for Rib eye steaks
- $2 million for Alaska King Crab
- $1 million for Salmon
- $139,000 for donuts
- $26 thousand for sushi tables
- A $100,000 Steinway piano
- A $26,000 violin
- A $21,000 flute

Meanwhile, our government cut **SNAP food benefits and health care access.** There is less housing. Our energy costs are higher. Wisconsin will lose **$314 million** this year in money that helped provide food for **over 700,000 people.** Over the next ten years, spending in rural areas is expected to drop by $155 Billion. The Pentagon spent 2/3 of that amount in a year just to use up its money.

For many years, leaders of different administrations have chosen **NOT** to fund programs that citizens need to meet their basic needs. Perhaps those making choices and choosing priorities actually see their own luxury – **as a necessity?** Who are these people?

Clark County Humane Society's Pet of the Week

"DUKE"

Duke is the CCHS Pet of the Week!

Duke came to CCHS as an owner surrender towards the beginning of March after some unexpected life changes occurred in his family. This wonderful Weimaraner is about 4 years old and weighs roughly 112# currently. Duke is a good-sized guy and is so very handsome with his short-haired silvery-gray coat. He has great ears, beautiful eyes and a cute stubby little tail too! Duke is a proper gentleman! He loves to be active and would benefit from a furever family that shares that love for the outdoors. Don't worry though, he always takes the time to make sure everyone stays accounted for. With any rescue, training and socialization are incredibly important to the success of the pup. Apply to adopt Duke today! You can submit your adoption application on our website: www.cchs-petshelter.org/applying-to-adopt.

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
