NED JOHNSON found out he was dead when his bank sent a condolence letter to his wife.

The 82-year-old man was wrongly declared dead because of changes to Social Security led by President Trump and Elon Musk's Department of Government Efficiency (DOGE). Because of this, Ned lost his Social Security and Medicare benefits, and $5,201 was withdrawn from his bank account and called an overpayment.

Benefits for February and March were stopped, and the Social Security Administration (SSA) began to recover past payments based on his false death record.

This mistake happened because DOGE – **an independent team that was never approved by any legal process** - promised to remove dead people from government rolls. They claim Social Security pays benefits to people long dead.

DOGE has installed automated systems that don't check information properly. This leads to errors that hurt elderly Americans and others who qualify for Social Security.

After Ned Johnson was placed on hold with Social Security for hours, he learned he had to go in person to his local Social Security office, bringing ID to prove that he was alive. He waited again half the day in line before being allowed to speak with a staff member. He reported that the office was terribly understaffed. Thankfully, that Social Security office was still open - but Ned said that office is one of many to be closed under DOGE "cost-cutting" policies.

"If I was living solely off Social Security, I could be close to dumpster diving about now," Ned said.

The SSA has not explained why they made the mistake nor apologized for the incident and Ned's benefits have not been fully reinstated.

More cases like this will rise as DOGE reduces staffing and office locations and replaces them with digital processes.

The Trump-Musk team continue to **illegally** "modernize" federal government and claimed they have removed "millions" of dead people who are collecting benefits from the SSA data base. **(The Social Security Administration later explained that the data used by Musk really was a count of people who "do not have a date of death in their record", not people collecting benefits.)** But Eli likes to talk big. DOGE prioritizes their new programs over accuracy. By doing this, Trump-Musk team has messed with the lives of millions of people who depend on the benefits they have earned.

AND GOD SAYS . . .

"But just as he who called you is holy, so be holy in all you do; for it is written: 'Be holy, because I am holy.'" (1 Peter 1:15-16)

Wow! This is God's expectation of us. Even more than that, in order to have a positive relationship with God, this holiness is not only an expectation but a requirement. But this creates a massive dilemma because God himself examines us and declares that "all [of us] have sinned and fallen short of the glory of God" (Romans 3:23). Therefore, not one us qualifies for God's blessing. Rather we deserve only His wrath for we "are storing up wrath against [ourselves] for the day of God's wrath," (Rom 2:5). Now, if this were the end of the story, we would be in a hopeless mess to say the least. But, praise God, God is the God of the impossible!

Though we turned our backs on God, God has not forsaken us. He still loves us. And it is this truth that makes Christianity so different from all other faiths. Only the Christian's God sent His Son to die for us because He loves us. Furthermore, because Christ took our sins upon Himself and died in our place, He therefore is able to cover us with His own holiness, thereby satisfying the requirements of God that we "be holy as He is holy." In doing so, Jesus Christ has reconciled us to God, giving us peace with Him. And because we are brought into a right relationship with God, through Christ, we are restored to an open and intimate relationship with God, not only for today, but for all of eternity. This is called "Positional Holiness," because it is our position in Christ whereby we are made holy, it is not about us living a holy life. More about that next week.

The only condition to receive Christ's holiness to cover our lives before God is that we must "believe in our heart that God raised Him (Christ) from the dead, and confess Him as Lord" of our life. This means out of the fulness of our heart we will speak (see Matthew 12:34) our need of Jesus to forgive our sins and verbally confess Him as Lord (Romans 10:9-10). If you are willing to humble yourself and confess your need of Jesus, God says you will be saved (Acts 16:31) from God's wrath and receive His blessing. And you can surely believe that God always keeps His promises.

Clark County Humane Society's Pet of the Week

"MAGGIE"

Maggie is the CCHS Pet of the Week!

Maggie is a Hound mix around 3 1/2 years in age who weighs 53.0#. She was surrendered to CCHS when the living situation changed in her previous home. She's a pretty girl with a short-haired tri-color coat with brindle highlights. For being a Hound, she's on the quiet side for now. She's sweet and friendly and always looking for a new friend. She will do best as the only dog in her new home, as she wasn't overly fond of the smaller dogs in her previous home. But she'd love to find a new family to love her forever! With any dog, training and socialization are incredibly important to the success of the dog. Apply for Maggie today! You can submit your adoption application on our website: www.cchs-petshelter.org/applying-to-adopt. We have lots of wonderful pets available for adoption now, especially puppies, so please check them all out online and then stop in to visit!

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
