AND GOD SAYS . . .

Is the Lord among among us or not? (Exodus 17:4)

"They grumble on Monday, Tuesday, Wednesday, grumble on Thursday too. Grumble on Friday, Saturday, Sunday, grumble the whole week through. "This children's song came to mind recently when I was reading through the book of Exodus. It seems to be appropriate because no matter what God did for the Israelites, it wasn't enough. So, it seems, they repeatedly grumbled.

For four hundred years Israel had dwelt in Egypt. At first, God used Egypt to provide for the Israelites during an extremely severe seven-year famine. But as time went on, Egypt's attitude toward Israel changed from kindness to harshness, and the Egyptians began to treat them as slaves. The conditions worsened so much that they even began killing the Israelite babies. Because they were treated so harshly, they fervently cried out for deliverance.

God heard their cry and delivered them through powerful miracles, miracles that targeted the Egyptian gods, making them repugnant, especially to the Egyptians. Then as Israel was fleeing from Egypt, God utterly destroyed the entire Egyptian army and Israel was free.

But this event was so significant that God established a seven-day festival to be held the first month of each year to immortalize it. During this festival they were to eat only bread that was unleavened and redeem their firstborn sons with an animal sacrifice. They were to use this festival to teach their children "that the Lord brought [them] out of Egypt with a mighty hand, " Exodus 13:16).

Now, you would think that after living through these events, the Israelite people would be prone to trust God under any circumstance, ready to believe and thankfully expect Him to provide. But that was not the case. First they grumbled when they couldn't find water for three days, then they complained that they didn't have meat, then it was water again. That's when "they tested the Lord saying, 'Is the Lord among us or not?'"

I have to wonder, are we not more like the Israelites than we would like to admit? After Jesus died in our place on the cross, forgave our sins, rose from the dead giving us new and eternal life, that we would be more thankful with less grumbling because "the Lord is among us. " Do our words really reflect our believe that God has everything under control and He is truly good?

BARN OWL

WHAT HUNGARY MEANS TO US?

Viktor Orban controlled Hungary, a nation in central Europe, for sixteen years. On April 12, a super majority of the people of this country voted him out. The Tisza Party, led by Peter Magyar, joined other parties to defeat him. They talked about the corruption and economic collapse. They won 2/3 of the parliament and brought his experiment to an end.

America's far right-wing has admired and supported Orban for years. They studied how he gained and kept power. They wanted to follow his example. They supported him in public. America's vice president even went to Hungary personally to campaign for him.

When Orban first took power in 2010, he changed the country's constitution to be sure that he and his party remained in power. Changes in Hungary included:

- The county's highest court lost power and was made to reflect Orban's ideology.
- Voting districts in the country were redrawn to help his party win elections.
- News media was brought under control. Independent news groups were bought out or forced out. Eventually, 80% of media in Hungary was controlled by Orban's party.
- The judges and courts that checked the government were removed or replaced.
- Eleven state universities were given to private groups connected to his party
- State businesses and services were sold to private companies.

Orban also stayed in power by creating emergencies to play on people's fears. He declared an **immigrant emergency** in 2015 and built a wall along the border. He said immigrants were a danger to Hungary, saying "we do not want our [national culture] to be mixed with those of others." He called the European Union an enemy. He got money and support from Russia.
He called for Christian nationalism and warned of the threat of same-sex marriage and LGBTQ rights.

If any of these moves sound familiar, it's because the American far right added them to their working plan. They called it **Project 2025**. That plan has been the basis of all the work of Trump's presidency and describes the steps they want to take to create an authoritarian state in the United States.

It was only through an overwhelming vote against him that Orban was taken out of power. While we still have a democracy, we also need to use our vote and bring this crazy to an end.

In Loving Memory of Peter Lee Moe

(June 3, 1978 - May 8, 2025)

He had a "million dollar" smile, but also a "heart of gold."

Though time continues to move forward, the space you left behind remains deeply felt in our hearts. You are lovingly remembered and sadly missed every day by your family, who carry your memory with them in all they do. Your laughter, kindness, and gentle spirit touched more lives than you may have ever known. You had a way of bringing light into even the quietest moments, and that light continues to guide us still. Family gatherings are not the same without you, yet your presence is felt in every shared story, every smile, and every tear.

We hold close the memories that you gave us and we are forever grateful for the time we shared. Though you are no longer with us in person, you remain a part of us forever.

Forever loved, never forgotten, and deeply missed.

With all our love,
Bill and Sally Moe,
Traci (Jeremy)- Wyatt, Tryge, Lettie
Kristin (Travis)- Remi, Cash, Maisy
Jenny (Troy)- Nolan, Jace

NATIONAL MILITARY Appreciation Month

May Is Military Appreciation Month!

Visit Military.com to learn more. • Use #MilitaryAppreciationMonth

National Military Appreciation Month in May is a month-long observance honoring the sacrifices of the United States Armed Forces.

Today, the United States Armed Forces is comprised of six branches including the Army, Navy, Airforce, Marines, Coast Guard, and Space Force. The U.S. military force is 2.2 million strong and includes National Guard and Reserve units.

There are more military-related observances during the month of May than any other month, so it is an appropriate time to celebrate the men and women in uniform. During May, we recognize Loyalty Day, VE Day (the end of World War II in Europe on May 8, 1945), Armed Forces Day, Military Spouses Day, and Memorial Day.

HOW TO OBSERVE #MilitaryAppreciationMonth

- Thank military personnel and veterans for their service.
- Host a luncheon, picnic, or another event to recognize their service.
- Share your experiences in the military.
- Recognize family members of military personnel.
- Support veteran causes such as Honor Flights and Disabled American Veterans (DAV).

National MILITARY APPRECIATION Month

May Is Military Appreciation Month!

May, marked officially as Military Appreciation Month, is a special month for both those in and out of the military.

Congress designated May as National Military Appreciation Month in 1999 to ensure the nation was given the chance to publicly show their appreciation for troops past and present.

Although the entire month is designated to honoring past and present military members and their families, there are several, specific military holidays sprinkled throughout Military Appreciation Month itself, including Loyalty Day, VE Day, Military Spouse Appreciation Day, Mother's Day, Armed Forces Day and Memorial Day.

THANKS to Our Veterans & Military

MILITARY APPRECIATION MONTH ACTIVITIES

- **Thank a military member or veteran-** Call a military member you know and thank them for their service. Let them know efforts aren't going unseen!
- **Brush up on your military history -** The history of the U.S. Military is full of fascinating, epic stories that run the gamut from tragedy to triumph. Take some time to read up on the many ways the military affects American society.
- **Volunteer with a local veterans service organization -** Many veterans are elderly, on a fixed income, and even homeless. Find a local organization that supports these vulnerable populations and volunteer to serve some food, distribute supplies, or spend time socializing with veterans who need it.

Every day, America's service members selflessly put their lives on the line to keep us safe and free. Please take a moment to let our troops know how much we appreciate their service and sacrifice.

THANK YOU For Your Service!

Clark County Humane Society's Pet of the Week

"THOR"

Thor is the CCHS Pet of the Week!

Thor came to CCHS as an owner surrender after his owner had to take on caring for their family member. This handsome Red Heeler mix is a little over 1 year old (estimated Date of Birth 3/23/25) and weighs roughly 26.4# currently. Thor has a short-haired red and white coat with lots of speckles, perky ears, and a happy face. Thor is a total loverboy! He has a friendly demeanor and is down for any adventure! Thor would benefit from an active family that can help burn off some of that energy he has! With any rescue, training and socialization are incredibly important to the success of the dog. Apply for Thor today! He is really looking forward to meeting his new forever family! You can submit your adoption application on our website: www.cchs-petshelter.org/applying-to-adopt.

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: https://www.cchs-petshelter.org/volunteer or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
