Thank You

The family of Elva Larson would like to thank everyone who was a pallbearer, attended her funeral, just stopped by to share a story, or sent a thoughtful card. And to those who baked treats, helped care for great grand babies, and parked cars. Lastly, thank you to Dove Assisted Living in Osseo for keeping Ma busy and happy for the past 6 years.

We greatly appreciate the generous memorials in Elva's memory to Dove Healthcare Activities Program, the Upper Pigeon Cemetery, the Northfield Lutheran Church, and the Alma Center Community Foundation.

AND GOD SAYS . . .

Two hundred fifty years ago our nation fought a war for independence. They wanted to be free. Of top priority was the freedom to worship evidenced by the fact that the very first amendment to the U. S. Constitution addresses this freedom. It says, "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances" (emphasis mine).

It does not take a rocket scientist to realize that this amendment and our rights are severely under attack. And it seems, that since atheists who vehemently oppose Christianity cannot accomplish their agenda through congress, they have taken their issues to the courts. It seems that the first amendment does not apply to our courts, as many times, they seem to rule however they want.

Jack Phillips, a baker in Colorado, is a prime example, of the hostility and aggressive attacks against Christians who take a stand for what they believe.

In 2012, an LGBTQ activist asked Jack to bake a cake for his same-sex "wedding." Jack respectfully declined. "The couple pursued legal action against Jack despite his offer to serve them anything in his store. The case ended with a 7-2 ruling for Jack in the United States Supreme Court with a strong condemnation of the state of Colorado for its "clear and impermissible hostility" toward his faith." (Breakpoint.org).

For over 14 years Jack has been relentlessly harassed by the LGBTQ activist, taking him to court two more times. By his own statement, his purpose was to "correct the errors of [Jack's] thinking." But Jack remained solid in his faith and exhibited an internal calmness in spite of everything. According to the reporter, the activist did not.

If we are to retain the freedoms for which our forefathers fought then we must remain vigilant and active. I believe we are in the last days as prophesied by Christ in Matthew 24. The question is, "Will we as Christians remain faithful, even when our freedoms are denied?" Remember that true freedom does not come from government, but from Christ, who frees us from the bondage of sin. It is an internal freedom that no man can deny.

DAILY PRAYER FOR AMERICA 250

By Raymond Leo Cardinal Burke

O Sacred Heart of Jesus, King of Heaven and Earth, I place today my nation, the United States of America, into Your Heart pierced for love of us.

On the 250th Anniversary of the Declaration of Independence, I acknowledge that true liberty is Your gift, and that our lasting homeland is the eternal Kingdom of God.

Under the mantle of Our Lady of Guadalupe, Patroness of the Americas, and through the intercession of her Immaculate Heart, bless my homeland anew, purify her from sin, and guide her leaders in truth, justice, and peace, so that she may safeguard all human life, respect the integrity of marriage and the family, and honor the practice of religion.

Reign in my home and in my nation. Draw every heart into communion with You, that Your truth, love, justice, mercy, and peace may triumph in America and throughout the world.
Amen

BARN OWL

OUR 250TH ANNIVERSARY

This July 4th our nation celebrates its 250th anniversary. This is a time to be proud, celebrate and also to think hard about our future.

How many nations have survived under the same basic government, laws and constitution for 250 years? There are **two**. Two have kept the same constitutional republic for so long: the **UNITED STATES OF AMERICA** and **SAN MARINO**. San Marino is a little blip of a nation surrounded by Italy. Its constitution has remained in use since 1600.

Most governments never last that long. Most durable governments, democracies or dictatorships, last 30 – 35 years before a major change. Our government has also changed over time. Every time we added a new amendment to the constitution there has been a change to our government. There have been 27 amendments to our federal constitution, the first ten in 1791.

Historians say there have been about five to ten major changes in our government during its time. These changes happened when people interpreted and applied the constitution in different ways. These include the JACKSONIAN ERA (1820s -30s), THE CIVIL WAR AND RECONSTRUCTION (1861 – 1877), THE PROGRESSIVE ERA (1890s – 1920s), THE NEW DEAL (1930s) AND THE CIVIL RIGHTS ERA (1950s – 1970s.)

On each occasion, the rights of citizens were often changed. Voting rights were expanded and protected. Businesses faced new rules. The government took on new responsibilities to help with certain economic or social roles. Now we are again in a moment of change. We do not know what changes to expect or if the constitution as it stands will be the same.

Of course, our government and our history deserve both praise and criticism. Slavery and the destruction of Native nations will be a stain on our history forever. We cannot forget them. Being a patriot does not mean ignoring our mistakes. It is part of being mature and recognizing our faults. It is part of wanting our nation to be a better place. America was not built to be a place where we give up.

I remember celebrating the nation's 200th birthday as a teenager. It was a heady and exciting time. President Nixon had left office. We were out of Vietnam. There was energy and hope, and there was a resolve to make things better.

Please hold onto that pride and commitment during these difficult and frightening times. Be a patriot. Be involved. Help decide where our nation goes next.

Anneliese Eddy

Executive Director

Dear Friends and Supporters,

I am honored to be serving as the new Executive Director of the Black River Falls Area Foundation (BRFAF). Stepping into this role has been both a privilege and an exciting opportunity. I am grateful for the trust placed in me to lead such an impactful organization.

It has been inspiring to work alongside our Operations Specialist & Board of Trustees, whose dedication and leadership have been instrumental to the Foundation's success. I look forward to continued collaboration with the foundation staff, trustees, and community members to ensure a smooth and thoughtful transition that continues to serve our community well.

Since its founding in 1986, BRFAF has made an incredible difference in our community. Over the past 40 years, the Foundation has successfully reinvested funds totaling over **\$8 Million** back into communities throughout Jackson County. Funding through the foundation has supported numerous projects, programs, and non-profit organizations, which strengthen and enrich the lives of many in our area. This legacy of generosity and community impact is something I deeply respect and am committed to continuing.

Looking ahead, I am both excited and encouraged by the opportunities to grow the Foundation's impact. A donation of any size, given either now or through your estate, contributes to helping local charities you care about, which impact our friends and neighbors within Jackson County. As a tax-exempt public charity, BRFAF establishes funds and endowments that are invested to provide long term support for charitable purposes. With your continued support, the Foundation will not only sustain its existing funds, but also grow new ones—expanding our ability to make an even greater influence on the communities we serve.

Together, we can continue to support the growth and success of numerous groups and initiatives that make the Black River Falls Area and Jackson County such a special place to live.

With gratitude,

Anneliese Eddy

Pet of the Week

"MACIE"

Macie is the
CCHS Pet of the Week!

SAVE A
SHELTER PET!

Macie is a gentle soul who is still learning that the world can be a safe and loving place. Macie is a 5 year old female Maltese who weighs 8.2#. She has a soft and fluffy white coat with big beautiful brown eyes. This sweet girl has had a difficult past and can be shy when meeting new people, but beneath her timid exterior is a dog who longs for kindness and companionship. With patience, understanding, and lots of love, Macie will blossom into a devoted companion. She's looking for someone willing to show her that her best days are still ahead. If that's you and you would like to share your heart and home with Macie, please apply to adopt her today. You can submit your adoption application on our website: www.cchs-petshelter.org/applying-to-adopt.

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: <https://www.cchs-petshelter.org/volunteer> or email April at cchsoutreach1@gmail.com. Come join our CCHS volunteer family!
