PRESERVING THIS AMERICAN WAY OF LIFE

The United States is **not** a socialist nation. It is a capitalist nation with a capitalist economy. Our economy has social programs within it. But those programs don't control the country. Capitalism does not take responsibility for people beyond making sure there are enough workers and enough ways to keep creating wealth.

Socialism is an economic system that collects wealth from all people through taxes and uses it to benefit everyone more equally. The wealth is shared based in part on what different groups want and need in order to live a healthy and successful life.

If you feel Socialism is bad, consider what parts of your life, as an American, rely on something other than profit, investment and the stock market.

- If you enjoy hanging out in a county park or visiting a state or national park, you are enjoying a Socialist benefit – a redistribution of wealth. Some taxes were collected to use for the enjoyment and preservation of our environment.
- If you get **ANY** government check that is not payment for a job or a tax return, like Veterans' benefits, Social Security, Unemployment, Medicare, Medicaid or a farm subsidy, you are receiving a type of Socialist distribution of everyone's wealth.
- When you drive on any road – that is not a private tollway - you are enjoying the benefits of wealth distribution for the common good.
- Public schools, public libraries, public health programs, public hospitals and public utilities are all paid with our taxes and redistribute our wealth. Even Private School Vouchers use public funds to support themselves.

The far right in this country very much wants to have pure capitalism. They want to be sure businesses can make profits without obstruction by government rules and regulations. They believe all property and business should be privately owned. This is why, suddenly:

- public lands are opened for drilling and mining.
- public parks are left unfunded,
- public health agencies that protect us from disease are cut back.
- the Department of Education is taken down.
- services for consumer protection are cut.
- food programs, Medicare and Medicaid are reduced.

None of this is done just to be “mean.” These actions reflect the ideology of one very extreme portion of America's right wing. They believe that Capitalism, hoarding the wealth of individuals, is what the world should be about. Will this preserve our way of life?

## Clark County Humane Society's Pet of the Week

### "SHARKY"

Sharky is the CCHS Pet of the Week!

Sharky is a spayed female 1-year-old Cattle Dog mix with a heart that's just waiting for the right person to help it shine. Life has left this sweet girl feeling a little uncertain, so she's very timid and shy when meeting new people and experiencing new places. Sharky isn't the kind of dog who will immediately run into your arms—but that's what makes earning her trust so special. She'll need a patient family that's willing to give her the time, love, and kindness she deserves. As she learns that the world isn't such a scary place, you'll get to watch her confidence grow a little more each day. The best things in life are worth waiting for, and Sharky is no exception. With a gentle heart and a family willing to let her settle in at her own pace, she has all the potential to blossom into an incredible companion. The day she finally chooses to lean into you for comfort or wags her tail when you walk through the door will make every bit of patience worthwhile. If you have a quiet home, a kind heart, and room for a shy girl who's ready for a fresh start, Sharky may be the one you've been waiting for. You can submit your adoption application for Sharky on our website: [www.cchs-petshelter.org/applying-to-adopt](http://www.cchs-petshelter.org/applying-to-adopt).

Do you have a love for cats and dogs and have been thinking it would be nice to help out at CCHS? Well, now's your chance! Whether it's a few hours a week, one day a month, or something in between, this is your opportunity to try it out. We are very much in need of volunteers! You can learn more and sign up on our website: <https://www.cchs-petshelter.org/volunteer> or email April at [cchsoutreach1@gmail.com](mailto:cchsoutreach1@gmail.com). Come join our CCHS volunteer family!

AND GOD SAYS...

[J]ust as he who called you is holy, so be holy in all you do; for it is written: “Be holy, because I am holy.” (1 Peter 1:14-15)

If we are going to be “holy as [God] is Holy” (1 Peter 1:15) then we must take care of our bodies in a way that pleases God. So how do we do that?

In 2 Thessalonians 5, we are admonished to “Abstain from every form of evil .... And may your entire spirit, soul, and body be kept blameless ...”The implication being that our relationship with God through Christ does not only impact our spiritual well-being, but our mind and body as well.

We find a similar emphasis in 1 Corinthians 6:19 when Paul refers to the body as the “temple of the Holy Spirit.”In this context, Paul is talking about sexual immorality, specifically sex outside of the marriage relationship.

But God is not only concerned with how we use his temple, but how we care for his temple. 1 Corinthians 12:23 states that body “parts that are unrepresentable are treated with special modesty and in 1 Timothy 2:9 we are told that “Women are to dress modestly,”as opposed to sexy.”

It is important to note that Adam and Eve became conscious of their own nakedness as soon as they sinned. Something radical had changed at that moment. I personally believe God’s glory had originally covered them as a result of being made in the image of God, including his spiritual glory.

When they sinned, that glory departed, their nakedness was exposed, and they were ashamed.

But as time moves on, we get comfortable with our nakedness. It bothers us less and less until we begin to actually flaunt it and call it sexy. And what do you get? Our modern culture.

It grieves me to observe the ever quickening slide into our growing indifference to and tolerance of the growing immodesty and immorality in our culture and even our actual participation in it.

Maybe it is time for us to truly humble ourselves before God and seek his face (James 7:7-10)
