BE IT RESOLVED by the School Board of the School District of Blair-Taylor, Trempealeau and Jackson Counties, Wisconsin that the revenues included in the School District budget be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$1,500,000 per year for three years beginning with the 2023-2024 school year and ending with the 2025-2026 school year, for non-recurring purposes consisting of expenses to maintain current operations, offerings for students and facility maintenance.

#### **Ballot Text**

The question will appear on the ballot as follows:

"Shall the School District of Blair-Taylor, Trempealeau and Jackson Counties, Wisconsin be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$1,500,000 per year for three years beginning with the 2023-2024 school year and ending with the 2025-2026 school year, for non-recurring purposes consisting of expenses to maintain current operations, offerings for students and facility maintenance?

# **Explanation**

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum election question as set forth above.

A "yes" vote on the question is a vote to authorize the School District of Blair-Taylor budget to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$1,500,000 per year for three years beginning with the 2023-2024 school year and ending with the 2025-2026 school year, for non-recurring purposes consisting of expenses to maintain current operations, offerings for students and facility maintenance.

A "no" vote on the question is a vote to deny the School District of Blair-Taylor the authority to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$1,500,000 per year for three years beginning with the 2023-2024 school year and ending with the 2025-2026 school year, for non-recurring purposes consisting of expenses to maintain current operations, offerings for students and facility maintenance.

In the event a majority of the electors voting on the question vote "yes", the District will be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$1,500,000 per year for three years beginning with the 2023-2024 school year and ending with the 2025-2026 school year, for non-recurring purposes consisting of expenses to maintain current operations, offerings for students and facility maintenance; if a majority vote "no" on the question set forth above, the District will not be so authorized. To amend section 8 (2) of article I of the constitution; relating to: conditions for release prior to conviction, including the imposition of ball (second consideration).

Whereas, the 2021 legislature in regular session consideration (5, and agreed to it by a majority of the members elected to each of the two houses, which proposed amendment reads as follows:

SECTION 1. Section 8 (2) all persons, before conviction, shall be eligible for release under reasonable conditions designed to assure their appearance in court, protect members of the community from serious bodily harm as defined by the legislature by law, or prevent the intimidation of witnesses. Monetary conditions of release may be imposed at or after the initial appearance only upon a finding that there is a reasonable basis to believe that the conditions are necessary to assure appearance in court, or if the person is accused of a violent crime as defined by the legislature by law, only upon a finding that there is a reasonable basis to believe that the conditions are necessary to assure appearance in court, or if the person is accused of a violent crime as defined by the legislature by law, only upon a finding that there is a reasonable basis to believe that the conditions are necessary based on the totality of the circumstances, taking into account whether the accused has a previous conviction for a violent crime as defined by the legislature by law, the probability that the accused will fail to appear in court, the need to protect members of the community from serious harm as defined by the legislature by alw, the need to protect members of the community from serious harm as defined by the legislature by law, the need to protect members of the community from serious harm as defined by the legislature by alw, the need to protect members of the community from serious harm as defined by the legislature and unthorize, by law, courts to revoke a person's release for a violation of a con

QUESTION 2: "Cash bail before conviction. [VII] ANALYSIS

**EXPLANATION** 

witness intimidation, and potential affinitive defenses?"

EXPLANATION

1. Explanatory statement regarding Question 1:

Under the current Wisconsin Constitution, courts may impose reasonable conditions on the release of a criminal defendant before trial for three purposes: (1) to secure the defendant's appearance in court; (2) to protect the community from "serious bodily harm," and (3) to prevent intimidation of witnesses. Wis. Const. art. I, § 8(2).

Question 1 would change the language of the second factor from "serious bodily harm" to "serious harm as defined by the legislature by law." The question would thus change the type of harm to the community that a court could seek to protect against. Because the term "serious harm" would be defined by the legislature by law, what it means could evolve over time depending on legislative enactments.

A "yes" vote on Question 1 would vote to amend Wis. Const. art. I, § 8(2) to allow a circuit court to impose release conditions based on the purpose of avoiding "serious harm as defined by the legislature" rather than "serious bodily harm."

A "no" vote on Question 1 would vote not to amend Wis. Const. art. I, § 8(2) to change the term "serious bodily harm" as a factor for determining the conditions of a defendant's pretrial release.

2. Explanatory statement regarding Question 2:

Question 2 would also change the language of Wis. Const. art. I, § 8(2), but in a different way from Question 1. Question 2 addresses the circuit court's ability to impose the specific condition of monetary bail.

Currently, the Wisconsin Constitution allows a court to impose a monetary bail. In cases where a defendant is accused of a "violent crime as defined by the legislature by law," Question 2 would allow a court to impose monetary bail. In cases where a defendant is appearance in court, including accounting for a previous conviction for a violent crime, the need to protect the community from serious harm, preventing witness intimidation, and potential affirmative defenses the defendant

2023 ENROLLED JOINT RESOLUTION 2

**Relating to:** providing for an advisory referendum on the question of requiring able-bodied, childless adults in order to receive taxpayer-funded welfare benefits.

Resolved by the senate, the assembly concurring, That the following question be submitted, for advisory purposes only, to the voters of this state at the spring election to be held in April 2023: "Shall able-bodied, childless adults be required to look for work in order to receive taxpayer-funded welfare benefits?"

EXPLANATION

EXPLANATION

Explanatory statement regarding Question 3, the advisory question:

This is an advisory referendum and would not change Wisconsin law. Wisconsin and federal law currently define various programs available to those with financial need based on criteria such as age, familial status, and disability, among other criteria. Most of those programs are limited to children, familiaes with children, pregnant women, disabled persons, or those 65 or older, who Wisconsin law does not consider "able-bodied" for public assistance purposes. See, e.g., Wis. Stat. § 49.79(1)(am) (defining age limits for "able-bodied" under food

stamp program).
Two programs currently available to "able-bodied, childless adults" are Wisconsin's BadgerCare Plus medical assistance program and the FoodShare program, also known as SNAP or food stamps. However, those programs are subject to certain federal requirements and restrictions that either would be inconsistent with the requirement about which the referendum asks or, in some cases, already include such

a requirement.

BadgerCare Plus's medical assistance program is subject to federal Medicaid restrictions, and federal law does not allow for work-based requirements for such programs absent a federal waiver. See 42 U.S.C. § 1396a(a)(10)(A). Currently, there is no federal waiver in force that would allow Wisconsin to impose work requirements on this program. Wisconsin's FoodShare statute contains requirements that able-bodied, childless adults be employed or participate in an employment and training program, see Wis. Stat. § 49.79(9), but that requirement has been suspended by the federal government in response to the COVID-19 pandemic.

A "yes" vote on Question 3, the advisory referendum, would make no change to Wisconsin law.

A "no" vote on Question 3, the advisory referendum, also would make no change to Wisconsin law.
