STATE OF WISCON-SIN DEPARTMENT OF NATURAL RESOURCES PUBLIC NOTICE OF INTENT TO REISSUE A WISCONSIN POL-LUTANT DISCHARGE ELIMINATION SYSTEM (WPDES) PERMIT No. WI-0021954-10-0 FOR THE COMPLETE PUBLIC NOTICE AND DETAILS GO TO THE

WEB LINK: http://dnr. wi.gov/topic/wastewater/

PublicNotices.html Permittee: Black River Falls, 349 S McKinley St, Black River Falls, WI, 54615

Facility Where Discharge Occurs: Black River Falls WWTF, 401 Disposal Drive, Black River Falls, WI

Receiving Water And Location: Black River in the Trout Run and Robinson Creeks Watershed of the Black River Basin located in Jackson County

Brief Facility Description: The Black River Falls wastewater treatment facility serves the community of Black River Falls and the Brockway Sanitary District. The annual average design flow is 0.86 million gallons per day (MGD) and had an actual annual average flow of 0.489 MGD in 2021. The treatment system is an activated sludge plant consisting of a flow monitor, raw sewage wet well and pumps, grit removal chamber, primary clarifiers, anaerobic selector tanks, aeration basin, final clarifier, ultraviolet disinfection and final discharge of effluent to the Black River. Phosphorus limits are met via chemical addition. Sludge processes include an aerobic digester, gravity belt thickener and rotary drum thickener. Sludge is hauled offsite by a licensed hauler for landspreading under a separate WPDES permit. No major operational changes since the last permit term. Significant effluent monitoring and/ or limit changes are as follows: 1) the addition of annual effluent monitoring for total nitrogen, nitrite + nitrate nitrogen and total Kjeldahl nitrogen, 2) fecal coliform monitoring and limits has been replaced with Escherechia coli (E. coli) monitoring and limits, 3) the conditional reapproval of a multi-discharger variance (MDV) for phosphorus and the imposition of a lower monthly average interim effluent phosphorus limit, along with associated compliance schedules to comply with s. 283.16, Wis. Stats. requirements for phosphorus, 4) removal of zinc monitoring, 5) addition of weekly & monthly average copper limits and an increase in the daily maximum copper limit, 6) reduction in the number of acute WET tests and an increase in the number of chronic WET tests, and 7) the sample type for effluent flow has been changed from "continuous" to "daily" for eDMR reporting purposes. Influent flow monitoring has also been added this permit term. Permit Drafter's Name, Address, Phone and Email: Holly Heldstab, DNR, 1300 W Clairemont Ave, Eau Claire, WI, 54701, (715) 492-0483, Holly.Heldstab @wisconsin.gov. The Department has tentatively decided that the above specified WPDES permit should be reissued.

Phosphorus Multi-Discharger Variance: The Department has determined that the permittee is eligible for a phosphorus multi-discharger variance (MDV) in accordance with s. 283.16, Wis. Stats. Comments on this determination are requested and additional supporting documentation and data are available upon request.

Persons wishing to comment on or object to the proposed permit action, or to request a public hearing, may write to the Department of Natural Resources at the permit drafter's address. All comments or suggestions received no later than 30 days after the publication date of this public notice will be considered along with other information on file in making a final decision regarding the permit. Anyone providing comments in response to this public notice will receive a notification of the Department's final decision when the permit is issued.

The Department may schedule a public informational hearing if requested by any person and shall schedule an informational hearing if a petition requesting a hearing is received from 5 or more persons or if response to this notice indicates significant public interest pursuant to s. 283.49, Stats. Information on requesting a hearing is at the above web link.

Limitations and conditions which the Department believes adequately protect the receiving water are included in the proposed permit. Information on file for this permit action, including the draft permit, fact sheet and permit application, may be reviewed on the internet at the above web link or may be inspected and copied at the permit drafter's office during office hours. Information on this permit may also be obtained by calling the permit drafter or by writing to the Department. Reasonable costs (15 cents per page for copies and 7 cents per page for scanning) will be charged for information in the file other than the public notice, permit and fact sheet. Pursuant to the Americans with Disabilities Act, reasonable accommodation, including the low the purchase of a bus. provision of informational material in an alternative format, will be made to qualified individuals upon request. Administrator's Report: October 2-8 is School Board Appreciation Week. Thank you to all the board members for their work and dedication to the students and staff of our district.

Thanks to the Mindoro Lions for their \$400 donation to the district. These funds provided the purchase of glasses for two students.

Parent-teacher conferences were held one night this semester on October 13. While the amount of time was sufficient for the JH/SH staff and students, the elementary building ran short of time. There were some conferences that were held outside of the regular conference times. We may need to look at moving to two nights of conferences in the future for the elementary staff and students

There has been a recent uptick in the number of students with head lice. A letter has been sent home to all parents and treatment kits are available at school for parents in need.

Open Forum: None.
